Item 1.01 Entry into a Material Definitive Agreement.

On March 20, 2015, two subsidiaries of the Company, Justice Investors, a California limited partnership, Justice Operating Company, LLC, a Delaware limited liability company (collectively "Justice") filed a case in the Supreme Court of the State of New York entitled Justice Investors and Justice Operating Company, LLC v. Hilton Franchise LLC (the "Action"). On June 26, 2015, Justice and Hilton Franchise Holding LLC, a Delaware limited liability company, successor-by-merger to Hilton Franchise LLC, a Delaware limited liability company ("Hilton") entered into a Settlement Agreement and Release (the "Agreement") to settle and release all claims arising out of or in connection with the Action.

Under the terms of the Agreement, Hilton and Justice agreed to amend the existing Franchise Agreement between Justice and Hilton by extending it for 15 years, and for Hilton to pay to Justice key money. Justice Operating Company LLC will execute a self-exhausting, interest-free promissory note in favor of HLT Existing Franchise Holding LLC in the amount of the key money, which provides that the key money is to be amortized, on a straight-line basis, over the 15 year term of the amended, extended Franchise Agreement. Upon the Effective Date of the Agreement, Justice will dismiss the Action.

Item 8.01 Other Events.

The Company also reported today that, excluding the impact of the settlement described above as well as the impact of the previously announced sale of the apartment complex in Austin, Texas, the previously announced planned upgrades in the Hotel and changes in the value of its portfolio of marketable securities and other investments due to changes in the market prices of the underlying securities (and the conditions affecting the businesses of the issuers of such other investments) and sales of securities and other investments to reduce the size of the portfolio (net of stock dividends received or to be received) by approximately one-third, the Company expects results for the fiscal quarter ending June 30, 2015 to be consistent with the results for the fiscal quarter ended March 31, 2015. The Company believes that the impact of the settlement described above (net of associated legal and other costs) will not be material to results for the fiscal quarter ending June 30, 2015. Gains and losses on marketable securities and other investments fluctuate significantly from period to period.
