**PROXY STATEMENT**

---

**ANNUAL MEETING OF SHAREHOLDERS  
TO BE HELD ON MARCH 3, 2017**

The Board of Directors of Portsmouth Square, Inc. (the "Company" or "Portsmouth") is soliciting proxies in the form enclosed with this proxy statement in connection with the 2016 Annual Meeting of Shareholders to be held March 3, 2017 or at any adjournment or adjournments thereof (the "Annual Meeting").

This proxy statement and the accompanying proxy card are first being sent to shareholders on or about January 27, 2017. Only shareholders of record at the close of business on January 13, 2017 are entitled to notice of, and to vote at, the Annual Meeting.

If you give us a proxy, you can revoke it at any time before it is used. To revoke it, you may file a written notice revoking it with the Secretary of the Company, execute a proxy card with a later date or attend the Annual Meeting and vote in person.

You may vote at the Annual Meeting only shares of the Company's common stock, no par value per share (the "Common Stock"), that you owned of record on January 13, 2017. There were 734,183 shares of Common Stock outstanding on that date. A majority, or 367,092 of those shares will constitute a quorum for the transaction of business at the Annual Meeting. Each share is entitled to one vote on each matter to be presented at the Annual Meeting. Unless cumulative voting is elected as described under "Election of Directors" below, the affirmative vote of the holders of the majority of the shares of the Common stock present or represented at the Annual Meeting and entitled to vote is required to elect directors, to ratify the selection of the Company's independent registered public accounting firm, to approve the non-binding resolution on the compensation of our named executive officers, and to ratify or approve the other proposals being voted on at this time. The non-binding advisory vote as to the frequency (every one, two or three years) with which the non-binding shareholder vote regarding the approval of the compensation of our named executive officers should be conducted will require you to choose between a frequency of every one, two or three years or to abstain from voting on that proposal. Note that shareholders are not voting to approve or disapprove the recommendation of the Board of Directors with respect to this proposal. Because your vote is advisory, it will not be binding on us or the Board of Directors. However, the Board of Directors will review the voting results and take them into consideration when making future decisions regarding the frequency of the advisory vote on executive compensation.

The proxies named in the accompanying proxy card will vote the shares represented thereby if the proxy appears to be valid on its face, and where specification is indicated as provided in such proxy, the shares represented will be voted in accordance with such specification. If no specification is made, the shares represented by the proxies will be voted: (1) FOR the election the directors to serve until the next Annual Meeting; (2) FOR ratification of the appointment of Hein and Associates LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2017; (3) FOR approval of the compensation of executive officers; and (4) FOR 3 Years as the period of time that non-binding shareholder votes should occur to approve compensation of executive officers.

In addition to mailing this material to shareholders, the Company has asked banks and brokers to forward copies to persons for whom they hold shares of Common Stock of the Company and to request authority or the execution of proxies. The Company will reimburse banks and brokers for their reasonable out-of-pocket expenses in doing so. Officers of the Company may, without being additionally compensated, solicit proxies by mail, telephone, telegram or personal contact. All proxy soliciting expenses will be paid by the Company. The Company does not expect to employ anyone else to assist in the solicitation of proxies.

### **PROPOSAL NO. 1 ELECTION OF DIRECTORS**

The Company's Board of Directors presently consists of four directors. We propose to elect four directors, each to hold office until we have the next Annual Meeting of Shareholders or, if earlier, until his successor is elected and qualified. The Board of Directors has nominated John V. Winfield, Jerold R. Babin, John C. Love and William J. Nance. The person(s) named in the enclosed form of proxy will vote it for the election of the nominees listed below unless you instruct him otherwise, or a nominee is unwilling to serve. The Board of Directors has no reason to believe that any nominee will not serve, if elected. However, in that event, the proxy may vote for another candidate or candidates nominated by the Board of Directors. The California Corporations Code, as applicable to the Company, provides that a shareholder may cumulate votes if a shareholder gives notice, prior to the voting, of an intention to cumulate votes. If such a notice is given, every shareholder may cumulate votes. Cumulating votes means that you can take the total number of votes you have for all directors and distribute them among one or more nominees as you see fit. For example, assume you have 100 shares. We have four directors so you have a total of  $4 \times 100 = 400$  votes. You could give all 400 votes to one person or 200 votes to each of two nominees, or 100 votes to each of four nominees. You can use this power only under the circumstances described herein. If cumulative voting is elected, the enclosed form of proxy gives the proxy discretion to cumulate votes so that he can elect the maximum possible number of the nominees identified below.

Any shareholder executing the enclosed form of proxy may withhold authority to vote for any one or more nominees by so indicating in the manner described in the form of proxy. However, the number of votes authorized by the form of proxy card will not be affected and the named proxies could probably offset any such action by using cumulative voting if they thought it necessary. Under the California Corporations Code, any shareholder or any person who claims to have been denied the right to vote may apply to a state superior court for a determination of the validity of any election or appointment of any director.

## **BOARD AND COMMITTEE INFORMATION**

### **Board of Directors**

Portsmouth is an unlisted company and a smaller reporting company under the rules and regulations of the Securities and Exchange Commission ("SEC"). The majority of its Board of Directors consists of "independent" directors. In order for a director to be considered "independent" by the Board of Directors, he or she must (i) be free of any relationship that, applying the rules of the NASDAQ Stock Market LLC ("NASDAQ"), would preclude a finding of independence, and (ii) not have any material relationship with us or any of our affiliates or any of our executive officers. The Board of Directors held four meetings during the 2016 fiscal year (in person, telephonically or by written consent). No director attended (whether in person, telephonically, or by written consent) less than 75% of all meetings held during the period of time he or she served as director during the 2016 fiscal year.

### **Board Leadership Structure**

The Chairman of the Board, Mr. Winfield, also serves as our Chief Executive Officer. The Board believes that combining the Chairman and Chief Executive officer roles is the most appropriate structure for the Company at this time because (i) this structure has had a longstanding history with the Company, which the Board believes has served our shareholders well through many economic cycles and business challenges; (ii) the Board believes Mr. Winfield's unique business experience and history with the Company makes it appropriate for him to serve in both capacities; and (iii) the Board believes its corporate governance processes and committee structures preserve Board independence by promoting independent discussions among directors and independent evaluation of, and communications with, members of senior management such that separation of the Chairman and Chief Executive Officer roles is unnecessary at this time.

The Board of Directors has not established a formal process for security holders to send communications to the Board of Directors and the Board has not deemed it necessary to establish such a procedure at this time. Historically, almost all communications that the Company receives from security holders are administrative in nature and are not directed to the Board of Directors. If the Company should receive a security holder communication directed to the Board of Directors, or to an individual director, said communication will be relayed to the Board of Directors or the individual director as the case may be.

The Company does not have any formal policy with regard to Board members attendance at Annual Meetings of Shareholders but encourages each director to attend such meetings. All of the Company's directors attended the fiscal 2015 Annual Meeting of Shareholders.

### **Committees**

Portsmouth has established three committees, an Audit Committee, a Hotel Committee and a Securities Investment Committee. The Company does not have any standing nominating or compensation committee of the Board of Directors. Given the small size of the Board of Directors and the fact that approximately 88.5% of its voting securities controlled by management, the Company believes that it is appropriate for the entire Board of Directors to participate in the consideration of director nominees. New director nominations by shareholders, if any, will be considered and determined by the Board of Directors in its sole discretion. The Company has no policy or procedure with regard to consideration of any director candidates recommended by security holders. As a smaller reporting company that has approximately 88.5% of its voting securities controlled by management, the Company has not deemed it appropriate to institute such a policy, since any nominee that is unacceptable to the Board of Directors would be unlikely to ever be elected.

Executive compensation is determined by the independent members of the Board. In order for a director to be considered “independent” by the Board of Directors, he or she must (i) be free of any relationship that, applying the rules of NASDAQ, would preclude a finding of independence, and (ii) not have any material relationship with us or any of our affiliates or any of our executive officers. The Board seeks to design and set compensation to attract and retain highly qualified executive officers and to align their interests with those of long-term owners of the Company. The Board has not engaged any compensation consultants in determining the amount or form of executive or director compensation, but does review and monitor published compensation surveys and studies. No officer or employee (or former officer or employee) of the Company participated in deliberations of the Board concerning such officer or employee’s compensation. The Board may delegate to the Company’s Chief Executive Officer the authority determine the compensation of certain executive officers.

**Audit Committee.** Portsmouth is an unlisted company and smaller reporting company under SEC rules. The Company’s Audit Committee is currently comprised of members Nance (Chairperson) and Love, each of whom are independent directors in accordance with Rule 10A-3 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Each of these directors also meets the audit committee financial expert test based on their qualifications and business experience discussed above. The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing: the financial reports provided by the Company to any governmental body or the public; the Company’s system of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; and the Company’s auditing, accounting and financial processes generally. The Audit Committee is responsible for the selection and retention of the Company’s independent registered public accounting firm. The Audit Committee held four meetings during the 2016 fiscal year. The Company’s Board of Directors has adopted a written charter for the Audit Committee, a copy of that written charter, as amended, is posted on the Portsmouth page of the InterGroup website [www.intgla.com](http://www.intgla.com).

**Hotel Committee.** On February 26, 2004, the Board of Directors established a Hotel Committee to actively oversee the Company’s interests in Justice Investors and the repositioning and operations of the Hotel asset. The members of the Hotel Committee are Directors John C. Love (Chair), William J. Nance and Jerold R. Babin. The Hotel Committee meets on a regular basis, at least once per month. In June 2016, the Hotel Committee was terminated.

**Securities Investment Committee.** On March 17, 1998, the Company established a Securities Investment Committee to establish guidelines and to review the Company’s investment policies. The Securities Investment Committee consists of all of the directors of the Company, John V. Winfield (Chair), John C. Love and William J. Nance. During fiscal 2016, the Securities Investment Committee held two meetings, in person, telephonically or by written consent with, all members attending each meeting.

### **Code of Ethics**

The Company has adopted a Code of Ethics that applies to its principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A copy of the Code of Ethics is posted on the Portsmouth page of its parent company’s website at [www.intgla.com](http://www.intgla.com). The Company will provide to any person without charge, upon request, a copy of its Code of Ethics by sending such request to: Portsmouth Square, Inc., Attn: Treasurer, 10940 Wilshire Blvd., Suite 2150, Los Angeles, CA 90024. The Company will promptly disclose any amendments or waivers to its Code of Ethics on Form 8-K and will post such information on its website.

## COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Section 16(a) of the Exchange Act requires the Company's officers and directors, and each beneficial owner of more than ten percent of the Common Stock, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten-percent shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based solely on its review of the copies of such forms received by the Company, or written representations from certain reporting persons that no Forms 5 were required for those persons, the Company believes that during fiscal 2016 all filing requirements applicable to its officers, directors, and greater than ten-percent beneficial owners were complied with.

The Company has a secured right to receive, from any proceeds of the policy, reimbursement of all premiums paid prior to any payments to the beneficiary.

<sup>(3)</sup> Effective December 1, 2013, GMP Management, Inc. ("GMP"), a company owned by a Geoffrey M. Palermo, Justice limited partner and related party, also provides management services for the Partnership pursuant to a Management Services Agreement. Under the agreement, GMP is required to advise the Partnership on the management and operation of the hotel; administer the Partnership's contracts, leases, agreements with hotel managers and franchisors and other contracts and agreements; provide administrative and asset management services, oversee financial reporting, and maintain offices at the Hotel in order to facilitate provision of services. GMP is paid an annual base management fee of \$325,000 per year, increasing by 5% per year, payable in monthly installments, and to reimbursement for reasonable and necessary costs and expenses incurred by GMP in performing its obligations under the agreement. In June 2016, GMP resigned and the Company is currently interviewing several national third party hotel management companies to replace GMP. Mr. Palermo also resigned as assistant secretary of the Company in May 2016.

<sup>(4)</sup> In connection with the redemption of limited partnership interests of Justice in Note 2 of the consolidated financial statements, Justice agreed to pay a total of \$1,550,000 in fees to certain officers and directors of the Company for services rendered in connection with the redemption of partnership interests, refinancing of Justice's properties and reorganization of Justice. The first payment under this agreement was made concurrently with the closing of the loan agreements, with the remaining payments due upon Justice having adequate available cash. In fiscal 2016, Mr. Winfield was paid \$400,000 and Mr. Palermo was paid \$200,000.

As a Smaller Reporting Company, Portsmouth has no compensation committee. Executive Officer compensation is set by disinterested members of the Board of Directors. Portsmouth has no stock option plan or stock appreciation rights for its executive officers. The Company has no pension or long-term incentive plans. There are no employment contracts between Portsmouth and any executive officer, and there are no termination-of-employment or change-in-control arrangements.

In fiscal year ended June 30, 2004, the disinterested members of the Board of Directors established a performance based compensation program for the Company's CEO to keep and retain his services as a direct and active manager of the Company's securities portfolio. Pursuant to the current criteria established by the Board, Mr. Winfield is entitled to performance based compensation for his management of the Company's securities portfolio equal to 20% of all net investment gains generated in excess of an annual return equal to the Prime Rate of Interest (as published in the Wall Street Journal) plus 2%. Compensation amounts are calculated and paid quarterly based on the results of the Company's investment portfolio for that quarter. Should the Company have a net investment loss during any quarter, Mr. Winfield would not be entitled to any further performance-based compensation until any such investment losses are recouped by the Company. This performance based compensation program may be further modified or terminated at the discretion of the Board of Directors. The Company's CEO did not earn any performance based compensation for the years ended June 30, 2016 and 2015.

### **Internal Revenue Code Limitations**

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), provides that, in the case of a publicly held corporation, the corporation is not generally allowed to deduct remuneration paid to its chief executive officer and certain other highly compensated officers to the extent that such remuneration exceeds \$1,000,000 for the taxable year. Certain remuneration, however, is not subject to disallowance, including compensation paid on a commission basis and, if certain requirements prescribed by the Code are satisfied, other performance based compensation. For fiscal years 2016 and 2015, no compensation paid by the Company to Mr. Winfield or other executive officers was subject to the deduction disallowance prescribed by Section 162(m) of the Code.

### **SHAREHOLDER ADVISORY VOTES ON EXECUTIVE COMPENSATION**

At its fiscal 2010 Annual Meeting of Shareholders held on February 24, 2011, the Company submitted to its shareholders two proposals regarding executive compensation. The first proposal to approve, in a non-binding vote, the compensation of the Company's named executive officers for fiscal year 2010 was approved by the shareholders, having received more than 98% of the shares voted at the meeting in favor of the proposal. The second proposal was to determine, in a non-binding vote, whether a shareholder advisory vote to approve the compensation of the Company's executive officers should occur every one, two or three years. The shareholders overwhelmingly voted in favor of three years as the frequency in which the Company should have an advisory vote on executive compensation with more than 88% percent of the shares voted at the meeting being in favor of three years. The Board of Directors considered the guidance provided by those advisory votes and set three years as the frequency in which it will have a non-binding vote on executive compensation.

Accordingly, the Company submitted a proposal to approve, in a non-binding vote, the compensation of the Company's named executive officers for fiscal year 2013, at its Fiscal 2013 Annual Meeting of Shareholders held on February 20, 2014. That proposal was approved by the shareholders, having

received more than 99% of the shares voted at the meeting in favor of the proposal. The Board of Directors considered the results of the advisory vote in reviewing our executive compensation program, noting the high level of shareholder support, and elected to continue the same principles and objectives in determining the types and amounts of compensation to be paid to our named executive officers in 2014. The Board of Directors will continue to focus on responsible executive compensation practices that attract, motivate and retain high performance executives, reward those executives for the achievement of long-term performance and support our other executive compensation objectives.

### **DIRECTOR COMPENSATION**

Each director of the Company is paid a Board retainer fee of \$1,500 per quarter for a total annual compensation of \$6,000. This policy has been in effect since July 1, 1985. Members of the Company's Audit Committee also receive a fee of \$500 per quarter. Directors and Committee members are also reimbursed for their out-of-pocket travel costs to attend meetings.

On February 26, 2004, the Board of Directors established a Hotel Committee to actively oversee the Company's interests in the Partnership and the repositioning and operations of the Hotel. The members of the Hotel Committee are directors John C. Love (Chair), William J. Nance and Jerold R. Babin. Mr. Love and Mr. Nance each receive \$3,500 per month and Mr. Babin \$500 per month for serving on the Hotel Committee. In June 2016, the Hotel Committee was terminated.

The following table provides information concerning compensation awarded to, earned by, or paid to the Company's directors for the fiscal year ended June 30, 2016.

### PROPOSAL NO. 3

#### NON-BINDING PROPOSAL TO APPROVE THE COMPENSATION OF OUR EXECUTIVE OFFICERS

SEC rules adopted pursuant to the recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enable our shareholders to vote to approve, on an advisory (non-binding) basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the SEC's rules.

For the reasons stated below, we are requesting your approval of the following non-binding resolution:

**“RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion is hereby APPROVED.”**

The compensation of our named executive officers and our compensation philosophy policies are comprehensively described in the tables (including all footnotes) and narrative disclosure included in this proxy statement.

The Board of Directors designs our compensation policies for our named executive officers to create executive compensation arrangements that are linked both to the creation of long-term growth, sustained shareholder value and individual and corporate performance, and are competitive with peer companies of similar size, value and complexity and encourage stock ownership by our senior management. Based on its review of the total compensation of our named executive officers for fiscal year 2016, the Board of Directors believes that the total compensation for each of the named executive officers is reasonable and effectively achieves the designed objectives of driving superior business and financial performance, attracting, retaining and motivating our people, aligning our executives with shareholders' long-term interests, focusing on the long-term and creating balanced program elements that discourage excessive risk taking.

Neither the approval nor the disapproval of this resolution will be binding on us or the Board of Directors or will be construed as overruling a decision by us or the Board of Directors. Neither the approval nor the disapproval of this resolution will create or imply any change to our fiduciary duties or create or imply any additional fiduciary duties for us or the Board of Directors. However, the Board of Directors values the opinions that our shareholders express in their votes and will consider the outcome of the vote when making future executive compensation decisions as it deems appropriate.

**THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE TO APPROVE THE NON-BINDING ADVISORY RESOLUTION APPROVING THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.**

## PROPOSAL NO. 4

### **NON-BINDING PROPOSAL REGARDING THE FREQUENCY (ONE, TWO OR THREE YEARS) WITH WHICH THE NON-BINDING SHAREHOLDER VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS SHOULD BE CONDUCTED**

SEC rules adopted pursuant to the Dodd-Frank Act require that, not less frequently than once every three years, we will include in the proxy materials for a meeting of shareholders where executive compensation disclosure is required by the SEC rules, an advisory resolution subject to a non-binding shareholder vote to approve the compensation of our named executive officers. The approval of this resolution is included as Proposal 3 in this proxy statement. The Dodd-Frank Act also requires that, not less frequently than once every six years, we enable our shareholders to vote to approve, on an advisory (non-binding) basis, the frequency (one, two or three years) with which the non-binding shareholder vote to approve the compensation of our named executive officers should be conducted. In accordance with such rules, we are requesting your vote to advise us of whether you believe this non-binding shareholder vote to approve the compensation of our named executive officers should occur every one, two or three years, or abstain.

We believe that a non-binding shareholder vote on executive compensation should occur every three years. Our executive compensation program is designed to create executive compensation arrangements that are linked both to the creation of long-term growth, sustained shareholder value and individual and corporate performance, and are competitive with peer companies of similar size, value and complexity and encourage stock ownership by our senior management. One of the core principles of our executive compensation program is to ensure management's interests are aligned with shareholders' long-term interests, focusing on the long-term and creating balanced program elements that discourage excessive risk taking. Thus, we grant compensation focused on long-term performance. Accordingly, we recommend a triennial vote which would allow our executive compensation programs to be evaluated over a similar time-frame and in relation to our long-term performance.

A triennial vote will provide us with the time to thoughtfully respond to shareholders' sentiments and implement any necessary changes. We carefully review changes to the program to maintain the consistency and credibility of the program which is important in motivating and retaining our employees. We therefore believe that a triennial vote is an appropriate frequency to provide our people and our Board of Directors sufficient time to thoughtfully consider shareholders' input and to implement any appropriate changes to our executive compensation program, in light of the timing that would be appropriate to implement any decisions related to such changes.

We will continue to engage with our shareholders regarding our executive compensation program during the period between shareholder votes. Engagement with our shareholders is a key component of our corporate governance. We seek and are open to input from our shareholders regarding board and governance matters, as well as our executive compensation program, and believe we have been appropriately responsive to our shareholders. We believe this outreach to shareholders, and our shareholders' ability to contact us at any time to express specific views on executive compensation, hold us accountable to shareholders and reduce the need for and value of more frequent advisory votes on executive compensation.

For the reasons stated above, the Board of Directors is recommending a vote **FOR** a three-year frequency for the non-binding shareholder vote to approve the compensation of our named executive officers. Note that shareholders are not voting to approve or disapprove the recommendation of the Board with respect to this proposal. Instead, each proxy card provides for four choices with respect to this proposal: a one, two or three year frequency, or shareholders may abstain from voting on the proposal and you are being asked only to express your preference for a one, two or three year frequency or to abstain from voting.

Your vote on this proposal will be non-binding on us and the Board of Directors and will not be construed as overruling a decision by us or the Board of Directors. Your vote will not create or imply any change to our fiduciary duties or create or imply any additional fiduciary duties for us or the Board of Directors. However, the Board of Directors values the opinions that our shareholders express in their votes and will consider the outcome of the vote when making such future compensation decisions as it deems appropriate.

## OTHER BUSINESS

As of the date of this statement, management knows of no business to be presented at the meeting that is not referred to in the accompanying notice. As to other business that may properly come before the meeting, it is intended that the proxies properly executed and returned will be voted in respect thereof at the discretion of the person voting the proxies in accordance with the best judgment of the person voting the proxies.

## SHAREHOLDER PROPOSALS

It is presently anticipated that the fiscal 2017 Annual Meeting of Shareholders will be held on March 2, 2018. Shareholder proposals intended to be considered for inclusion in the proxy statement and form of proxy for presentation at the Fiscal 2017 Annual Meeting of Shareholders must be received by the Company no later than not less than 120 calendar days before the one year anniversary of the date this proxy statement is mailed. However, if the date of the fiscal 2017 Annual Meeting of Shareholders is changed by more than 30 days from the date of the fiscal 2016 Annual Meeting, then the deadline will be a reasonable time before the Company begins to print and send its proxy materials. In addition, all proposals must comply with the Company's charter and bylaws and the provisions of Rule 14a-8 adopted under Section 14(a) of the Exchange Act, which lists the requirements for the inclusion of shareholder proposals in company-sponsored proxy materials. Any proposals must be submitted in writing to the following address: Corporate Secretary, Portsmouth Square, Inc., 10940 Wilshire Blvd., Suite 2150, Los Angeles, CA 90024. It is suggested that the proposal be submitted by certified mail – return receipt requested.

## ANNUAL REPORT ON FORM 10-K

The Annual Report on Form 10-K for the fiscal year ended June 30, 2016 accompanies this proxy statement, but is not deemed a part of the proxy solicitation materials. A copy of the Company's Form 10-K for the fiscal year ended June 30, 2016, as required to be filed with the SEC, excluding exhibits, will be mailed to shareholders without charge upon written request to: David Nguyen, Treasurer, Portsmouth Square, Inc., 10940 Wilshire Blvd., Suite 2150, Los Angeles, CA 90024. Such request must set forth a good-faith representation that the requesting party was either a holder of record or a beneficial owner of Common Stock on January 13, 2017.
