## PROPOSAL NO. 1

### ELECTION OF DIRECTORS

The Company's Certificate of Incorporation provides that the Board of Directors shall consist of not less than five nor more than nine members (subject to any vacancies). The exact number of directors is fixed by the Board prior to each year's Annual Meeting of Shareholders. The Board is divided into three staggered classes, each class having not less than one member and not more than three members. Each director is elected to serve for a three-year term and until the election and qualification of his or her successor. When vacancies on the Board occur, due to resignation or otherwise, the directors then in office may continue to exercise the powers of the Board of Directors, and a majority of such directors may select a new director to fill the vacancy, and such replacement director shall serve only until the expiration of the term of the director whose vacancy he is filling. Any director may resign at any time. Any director may be removed with cause by the vote of, or written consent of, the holders of a majority of the shares of Common Stock entitled to then vote at an election of directors at a special meeting called for the purpose of removal or to ratify the recommendation of a majority of the directors that such director be removed. A replacement director may be elected at the same special meeting.

The term of current Class B Directors expires at the fiscal 2019 Annual Meeting to be held on February 25, 2020. The Board has proposed Yvonne L. Murphy and William J. Nance as Class B Directors to serve until the Fiscal 2022 Annual Meeting (to be held in 2023) and until the election and qualification of their successors. The Board of Directors has been informed that the nominees have consented to be named as such and are willing to serve as directors if elected. However, if a nominee should be unable or declines to serve, it is intended that the proxies will be voted for such other persons as the proxies shall, in their discretion, designate. Unless otherwise directed in the accompanying proxy card, the persons named therein will vote FOR the election of the nominee. Election requires a plurality of votes (i.e., for the number of seats available for directors at an Annual Meeting, those directors obtaining the highest number of votes shall be elected to fill those seats).

He is a retired partner in the national CPA and consulting firm of Pannell Kerr Forster and, for the last 30 years, a lecturer in hospitality management at Golden Gate University and San Francisco State University. #### **BOARD AND COMMITTEE INFORMATION**

InterGroup is a Smaller Reporting Company under the rules and regulations of the U.S. Securities and Exchange Commission (“SEC”). The Company’s Common Stock is listed on the Capital Market tier of the NASDAQ Stock Market LLC (“NASDAQ”).

The Board of Directors of InterGroup currently consists of five members. Except for the Company's President and CEO, John V. Winfield, all of InterGroup's Board of Directors consists of "independent" directors as independence is defined by the applicable rules of the SEC and NASDAQ. The independent directors also meet in executive sessions at least twice per year. The Board of Directors held two meetings during the 2019 fiscal year (in person, telephonically or by written consent). No directors, attended (whether in person, telephonically, or by written consent) fewer than 75% of all Board meetings held during the 2019 fiscal year.

#### **Board Leadership Structure**

The Chairman of the Board, Mr. Winfield, also serves as the Company's Chief Executive Officer. The Board believes that combining the Chairman and Chief Executive officer roles is the most appropriate structure for the Company at this time because (i) this structure has had a longstanding history with the Company, which the Board believes has served our shareholders well through many economic cycles and business challenges; (ii) the Board believes Mr. Winfield's unique business experience and history with the Company makes it appropriate for him to serve in both capacities; and (iii) the Board believes its corporate governance processes and committee structures preserve Board independence by insuring independent discussions among directors and independent evaluation of, and communications with, members of senior management such that separation of the Chairman and Chief Executive Officer roles is unnecessary at this time.

#### **Role of the Board in Oversight of Risk**

The Board of Directors does not have a separate risk oversight body but instead manages risk directly. The Board mitigates risk through discussing with management the appropriate level of risk for the Company and evaluating the risk information received by management. These risks include financial, competitive, and operational risks. Further, every quarter, management reports to the Audit Committee regarding the Company's various risk areas as part of the Audit Committee's oversight role over financial reporting per the Audit Committee charter. Other committees of the Board of Directors also consider risks within their areas of responsibility.

We do not believe that our compensation policies encourage excessive risk-taking. The design of our compensation policies encourages employees to remain focused on both short-term and long-term financial and operational goals. Our equity awards typically vest over several years, which we believe encourages employees to focus on sustained stock price appreciation over time and the intrinsic value of the Company instead of short-term financial results.

#### **Communications with the Board of Directors**

The Board of Directors has not established a formal process for security holders to send communications to the Board of Directors, and the Board has not deemed it necessary to establish such a procedure at this time. Historically, almost all communications that the Company receives from security holders have been administrative and are not directed to the Board of Directors. Any communications to the Board of Directors may be submitted in writing to the following address: Board of Directors, The InterGroup Corporation, 12121 Wilshire Blvd., Suite 610, Los Angeles, CA 90025. If the Company should receive a security holder communication directed to the Board of Directors, or an individual director, said communication would be relayed to the Board of Directors or the individual director as the case may be.

#### **Board Attendance at Annual Meetings of Shareholders**

The Company does not have any formal policy with regard to Board members attendance at Annual Meetings of Shareholders but encourages each director to attend such meetings. All of the Company's directors attended the fiscal 2018 Annual Meeting of Shareholders.

## Committees

The Company has an Executive Committee that meets in place of the Board upon the request of the Chairman of the Executive Committee if time does not permit the entire Board to convene. Mr. Winfield is Chairman of the Executive Committee. The purpose of the Executive Committee is to review time-sensitive, major issues facing the Company until the entire Board can meet and deliberate on such matters. The Executive Committee held two meetings (in person, telephonically or by written consent) during the 2019 fiscal year.

The Company's Administrative and Compensation Committee (the "Compensation Committee") is comprised of "independent" members of the Board of Directors. For a director to be considered "independent" by the Board of Directors, he or she must (i) be free of any relationship that, applying the rules of NASDAQ, would preclude a finding of independence, and (ii) not have any material relationship with the Company or any of its affiliates or any of its executive officers. Mr. Nance and Mr. Love were members of the Compensation Committee during the fiscal year 2019. Neither of the members of the Compensation Committee is an executive officer of the Company. Mr. Nance previously served as the Company's Chief Financial Officer from 1987 to 1990 and as the Company's Treasurer from 1987 to 2002.

Mr. Nance serves as Chairman of the Compensation Committee. The Compensation Committee reviews and recommends to the Board of Directors the compensation for the Company's Chief Executive Officer and other executive officers, including equity or performance-based compensation and plans. The Compensation Committee seeks to design and set compensation to attract and retain highly qualified executive officers and to align their interests with those of long-term owners of the Company. The Compensation Committee may also make recommendations to the Board of Directors as to the amount and form of director compensation. The Compensation Committee has not engaged any compensation consultants in determining the amount or form of executive or director compensation, but does review and monitor published compensation surveys and studies. The Compensation Committee held two meetings (in person, telephonically or by written consent) during the 2019 fiscal year. The Compensation Committee also oversees the Company's 2010 Omnibus Employee Incentive Plan (the "2010 Incentive Plan"). The Company's 2008 Restricted Stock Unit Plan (the "2008 RSU Plan") expired on December 3, 2018.

The Company's Board of Directors has adopted a written charter for the Compensation Committee, which is reviewed on an annual basis. A copy of that written charter, as amended, is posted on the Company's website at [www.intgla.com](http://www.intgla.com).

The Company's Audit Committee is currently comprised of three members: Mr. Nance (Chairperson), Mr. Love and Mr. Babin, each of whom meets the independence requirements of the SEC and NASDAQ. Messrs. Nance and Love also meet the Audit Committee Financial Expert requirement as defined by the SEC based on their qualifications and business experience discussed above. The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its responsibility of overseeing management's conduct of the financial reporting process, the annual independent audit of the Company's financial statements, reviewing the financial reports provided by the Company to any governmental body or the public; the Company's system of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; and the Company's auditing, accounting, and financial processes generally. The Audit Committee is also responsible for the selection and retention of the Company's independent registered public accounting firm. The Audit Committee held four meetings during the 2019 fiscal year.

The Company's Board of Directors has adopted a written charter for the Audit Committee, which is reviewed on an annual basis. A copy of that written charter, as amended, is posted on the Company's website at [www.intgla.com](http://www.intgla.com).

The Company has a Real Estate Investment Committee, which is chaired by Mr. Winfield. The Real Estate Investment Committee held one meeting (in person, telephonically or by written consent) during the 2019 fiscal year. The Real Estate Investment Committee reviews and considers potential acquisitions, dispositions, and financings of properties.

The Company's Nominating Committee is comprised of two "independent" directors as independence is defined by NASDAQ. The Company has not established a charter for the Nominating Committee. The Company has no policy or procedure concerning the consideration of any director candidates recommended by security holders. As a Smaller Reporting Company that has more than 69% of its voting securities controlled by management, the Company has not deemed it appropriate to institute such a policy, since any nominee that is unacceptable to the Board of Directors would be unlikely ever to be elected. There have not been any material changes to the procedures by which security holders may recommend nominees to the Company's Board of Directors during the last fiscal year. Mrs. Murphy is the Chairwoman of the Nominating Committee. The Nominating Committee held one meeting during the 2019 fiscal year.

The Company's Securities Investment Committee oversees and establishes certain investment procedures and reports to the Board of Directors. The Securities Investment Committee's Chairman is Mr. Winfield. The Securities Investment Committee held three meetings (in person, telephonically or by written consent) during the 2019 fiscal year.

Mr. Winfield chairs the Company's Special Strategic Options Committee. The Special Strategic Options Committee held three meetings during the 2019 fiscal year, and its members also consult with each other frequently on an informal basis. The Special Strategic Options Committee reviews and considers the Company's strategic options and provides guidance to accomplish its goals considering both current and prospective investment opportunities.

#### **Code of Ethics**

The Company has adopted a Code of Ethics that applies to its principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A copy of the Code of Ethics is posted on the Company's website at [www.intgla.com](http://www.intgla.com). The Company will provide to any person without charge, upon request, a copy of its Code of Ethics by sending such request to The InterGroup Corporation, Attn: Treasurer, 12121 Wilshire Blvd., Suite 610, Los Angeles, CA 90025. The Company will promptly disclose any amendments or waivers to its Code of Ethics on Form 8-K and will post such information on its website.

According to the criteria established the Board of Directors, Mr. Winfield is entitled to performance compensation for his management of the securities portfolios of the Company and its subsidiaries equal to 20% of all net investment gains generated over an annual return equal to the Prime Rate of Interest (as published by the Wall Street Journal) plus 2%. Compensation amounts are earned, calculated, and paid quarterly based on the results of the Company's investment portfolio for that quarter. Should the companies have a net investment loss during any quarter, Mr. Winfield would not be entitled to any further performance-based compensation until the Company recoups any such investment losses. To satisfy this requirement, the common stock must trade at that increased level for at least ten trading days during any one quarter. As of June 30, 2019, the performance vesting requirements of the options were satisfied.

<sup>(2)</sup> Stock options issued to Mr. Winfield, according to the Company's 2010 Incentive Plan, are subject to both time and performance-based vesting requirements, each of which must be satisfied before the options are fully vested and eligible to be exercised. According to the time vesting requirements, the options vest over five years, with 18,000 options vesting upon each one-year anniversary of the date of grant, February 28, 2012. Under the performance vesting requirements, the options vest in increments of 18,000 shares upon each increase of \$2.00 or more in the market price of the Company's common stock above the exercise price (\$19.77) of the options. To satisfy this requirement, the common stock must trade at that increased level for at least ten trading days during any one quarter. As of June 30, 2019, all of these options have met the market vesting requirements.

<sup>(3)</sup> On December 26, 2013, the Compensation Committee authorized, subject to shareholder approval, a grant of non-qualified and incentive stock options for an aggregate of 160,000 shares (the "Option Grant") to the Company's President and Chief Executive Officer, John V. Winfield. Shareholders approved the stock option grant on February 19, 2014. The grant of stock options was made according to, and consistent with the 2010 Incentive Plan, as proposed to be amended. The non-qualified stock options are for 133,195 shares and have a term of ten years, expiring on December 26, 2023, with an exercise price of \$18.65 per share. The incentive stock options are for 26,805 shares and have a term of five years, expiring on December 26, 2018, with an exercise price of \$20.52 per share. Per the terms of the 2010 Incentive Plan, the exercise prices were based on 100% and 110%, respectively, of the fair market value of the Company's common stock as determined by reference to the closing price of the Company's common stock as reported on the NASDAQ Capital Market on the date of grant. The stock options are subject to time vesting requirements, with 20% of the options vesting annually commencing on the first anniversary of the grant date. In December 2018, Mr. Winfield exercised the 26,805 vested incentive stock options by surrendering 17,439 shares of the Company's common stock at fair value as payment of the exercise price, resulting in a net issuance to him of 9,366 shares. No additional compensation expense was recorded related to the issuance.

<sup>(4)</sup> Mr. Gonzalez's stock options vest over five years, with 3,600 options vesting upon each one-year anniversary of the date of grant, March 2, 2017.

### **Internal Revenue Code Limitations**

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), provides that, in the case of a publicly held corporation, the corporation is not generally allowed to deduct remuneration paid to its chief executive officer and certain other highly compensated officers to the extent that such remuneration exceeds \$1,000,000 for the taxable year.

### **EQUITY COMPENSATION PLANS**

The Company currently has one equity compensation plan, which has been approved by the Company's stockholders. However, any outstanding stock options issued under the Company's prior equity compensation plans remain effective per their terms.

The purpose of the Company's equity compensation plan is to provide a means whereby officers, directors and key employees of the Company develop a sense of proprietorship and personal involvement in the development and financial success of the Company, and to encourage them to devote their best efforts to the business of the Company, thereby advancing the interests of the Company and its shareholders. A further purpose of this plan is to provide a means through which the Company may attract able individuals to become employees or serve as directors of the Company and to provide a means for such individuals to acquire and maintain stock ownership in the Company, thereby strengthening their concern for the welfare of the Company.

#### **The InterGroup Corporation 2008 Restricted Stock Unit Plan**

On December 3, 2008, the Board of Directors adopted, subject to shareholder approval, an equity compensation plan for its officers, directors and key employees entitled, The InterGroup Corporation 2008 Restricted Stock Unit Plan (the "2008 RSU Plan"). The 2008 RSU Plan was approved and ratified by the shareholders on February 18, 2009.

The 2008 RSU Plan authorizes the Company to issue restricted stock units ("RSUs") as equity compensation to officers, directors and key employees of the Company on such terms and conditions established by the Compensation Committee of the Company. RSUs are not actual shares of the Company's common stock but instead promises to deliver common stock in the future, subject to certain vesting requirements and other restrictions as may be determined by the Committee. Holders of RSUs have no voting rights with respect to the underlying shares of common stock, and holders are not entitled to receive any dividends until the RSUs vest, and the shares are delivered. No awards of RSUs shall vest until at least six months after shareholder approval of the Plan. Subject to certain adjustments upon changes in capitalization, a maximum of 200,000 shares of the common stock are available for issuance to participants under the 2008 RSU Plan. The 2008 RSU Plan will terminate ten (10) years from December 3, 2008, unless terminated sooner by the Board of Directors. After the 2008 RSU Plan is terminated, no awards may be granted, but awards previously granted shall remain outstanding in accordance with the Plan and their applicable terms and conditions.

The shares of common stock to be delivered upon the vesting of an award of RSUs have been registered under the Securities Act, pursuant to a registration statement filed on Form S-8 by the Company on June 16, 2010. The grant of RSUs is personal to the recipient and is not transferable. Once received, shares of common stock issuable upon the vesting of the RSUs are freely transferable subject to any requirements of Section 16(b) of the Exchange Act. Under the 2008 RSU Plan, the Compensation Committee also has the power and authority to establish and implement an exchange program that would permit the Company to offer holders of awards issued under prior shareholder approved compensation plans to exchange certain options for new RSUs on terms and conditions to be set by the Committee. The exchange program is designed to increase the retention and motivational value of awards granted under prior plans. In addition, by exchanging options for RSUs, the Company will reduce the number of shares of common stock subject to equity awards, thereby reducing potential dilution to stockholders in the event of significant increases in the value of its common stock.

As of June 30, 2019, there were no RSUs outstanding, and the 2008 RSU Plan expired on December 3, 2018.

#### **The InterGroup Corporation 2010 Omnibus Employee Incentive Plan**

On February 24, 2010, the shareholders of the Company approved The Intergroup Corporation 2010 Omnibus Employee Incentive Plan (the "2010 Incentive Plan"), which was formally adopted by the Board of Directors following the annual meeting of shareholders. The Company believes that such awards better align the interests of its employees with those of its shareholders. Option awards are generally granted with an exercise price equal to the market price of the Company's stock at the date of grant; those option awards generally vest based on five years of continuous service. Certain options and share awards provide for accelerated vesting if there is a change in control, as defined in the 2010 Incentive Plan. The 2010 Incentive plan as modified in December 2013, authorizes a total of up to 400,000 shares of common stock to be issued as equity compensation to officers and employees of the Company in an amount and in a manner to be determined by the Compensation Committee in accordance with the terms of the 2010 Incentive Plan. The 2010 Incentive Plan authorizes the awards of several types of equity compensation, including stock options, stock appreciation rights, performance awards, and other stock-based compensation. The 2010 Incentive Plan will expire on February 23, 2020, if not terminated sooner by the Board of Directors upon recommendation of the Compensation Committee. Any awards issued under the 2010 Incentive Plan will expire under the terms of the grant agreement.

The shares of common stock to be issued under the 2010 Incentive Plan have been registered under the Securities Act, pursuant to a registration statement filed on Form S-8 by the Company on June 16, 2010. Once received, shares of common stock issued under the Plan will be freely transferable subject to any requirements of Section 16 (b) of the Exchange Act.

On March 16, 2010, the Compensation Committee authorized the grant of 100,000 stock options to the Company's Chairman, President, and Chief Executive, John V. Winfield, to purchase up to 100,000 shares of the Company's common stock pursuant to the 2010 Incentive Plan. The exercise price of the options is \$10.30, which is 100% of the fair market value of the Company's Common Stock as determined by reference to the closing price of the Company's Common Stock as reported on the NASDAQ Capital Market on March 16, 2010, the date of grant. The options expire ten years from the date of grant unless earlier terminated in accordance with the terms of the 2010 Incentive Plan. The options shall be subject to both time and market based vesting requirements, each of which must be satisfied before options are fully vested and eligible to be exercised. Pursuant to the time vesting requirements, the options vest over a period of five years, with 20,000 options vesting upon each one-year anniversary of the date of grant. Pursuant to the market vesting requirements, the options vest in increments of 20,000 shares upon each increase of \$2.00 or more in the market price of the Company's common stock above the exercise price (\$10.30) of the options. To satisfy this requirement, the common stock must trade at that increased level for at least ten trading days during any one quarter. As of June 30, 2019, all the market vesting requirements have been met.

In February 2012, the Compensation Committee awarded 90,000 stock options to the Company's Chairman, President, and Chief Executive, John V. Winfield, to purchase up to 90,000 shares of common stock. The per-share exercise price of the options is \$19.77, which is the fair value of the Company's Common Stock as reported on NASDAQ on February 28, 2012. The options expire ten years from the date of the grant. The options are subject to both time and market based vesting requirements, each of which must be satisfied before the options are fully vested and eligible to be exercised. Pursuant to the time vesting requirements, the options vest over a period of five years, with 18,000 options vesting upon each one-year anniversary of the date of grant. Pursuant to the market vesting requirements, the options vest in increments of 18,000 shares upon each increase of \$2.00 or more in the market price of the Company's common stock above the exercise price (\$19.77) of the options. To satisfy this requirement, the common stock must trade at that increased level for a period of at least ten trading days during any one quarter. As of June 30, 2019, all of these options have met the market vesting requirements.

On December 26, 2013, the Compensation Committee authorized, subject to shareholder approval, a grant of non-qualified and incentive stock options for an aggregate of 160,000 shares (the "Option Grant") to the Company's President and Chief Executive Officer, John V. Winfield. Shareholders approved the stock option grant on February 19, 2014. The grant of stock options was made pursuant to, and consistent with, the 2010 Incentive Plan, as modified in December 2013. The non-qualified stock options are for 133,195 shares and have a term of ten years, expiring on December 26, 2023, with an exercise price of \$18.65 per share. The incentive stock options are for 26,805 shares and have a term of five years, expiring on December 26, 2018, with an exercise price of \$20.52 per share. In accordance with the terms of the 2010 Incentive Plan, the exercise prices were based on 100% and 110%, respectively, of the fair market value of the Company's common stock as determined by reference to the closing price of the Company's common stock as reported on the NASDAQ Capital Market on the date of grant. The stock options are subject to time vesting requirements, with 20% of the options vesting annually commencing on the first anniversary of the grant date. On December 26, 2018, Mr. Winfield exercised the 26,805 vested incentive stock options by surrendering 17,439 shares of the Company's common stock at fair value as payment of the exercise price, resulting in a net issuance to him of 9,366 shares. No additional compensation expense was recorded related to that issuance.

In March 2017, the Compensation Committee awarded 18,000 stock options to the Company's Vice President of Real Estate, David C. Gonzalez, to purchase up to 18,000 shares of common stock. The per-share exercise price of the options is \$27.30, which is the fair value of the Company's Common Stock as reported on NASDAQ on March 2, 2017. The options expire ten years from the date of the grant. Pursuant to the time vesting requirements, the options vest over a period of five years, with 3,600 options vesting upon each one-year anniversary of the date of grant.

#### **Change in Controls Provisions in Equity Compensation Plans**

Under the Company's 2008 RSU Plan and its 2010 Incentive Plan, RSUs, stock options and other incentive awards may vest upon a change in control of the Company in accordance with their respective grant agreements. Outstanding stock options issued pursuant to the Company's 2010 Incentive Plan will also immediately vest and become exercisable upon a change in control. Except for the foregoing, there are no employment contracts between the Company and its officers or directors or any change in control arrangements.

#### **SHAREHOLDER ADVISORY VOTES ON EXECUTIVE COMPENSATION**

At its fiscal 2016 Annual Meeting of Shareholders held on March 2, 2017, the Company submitted to its shareholders two proposals regarding executive compensation. The first proposal to approve, in a non-binding vote, the compensation of the Company's named executive officers was approved by the shareholders, having received more than 99% of the shares voted at the meeting in favor of the proposal. The second proposal was to determine, in a non-binding vote, whether a shareholder advisory vote to approve the compensation of the Company's executive officers should occur every one, two, or three years. The shareholders overwhelmingly voted in favor of three years as the frequency in which the Company should have an advisory vote on executive compensation with more than 89% of the shares voted at the meeting being in favor of three years. The Board of Directors considered the guidance provided by those advisory votes and set three years as the frequency in which it will have a non-binding vote on executive compensation.

The Board of Directors will continue to focus on responsible executive compensation practices that attract, motivate, and retain high-performance executives, reward those executives for the achievement of long-term performance, and support our other executive compensation objectives.

### COMPENSATION OF DIRECTORS

Winfield, oversees the investment activity of the Company in public and private markets pursuant to authority granted by the Board of Directors. Mr. Winfield also serves as Chief Executive Officer and Chairman of Santa Fe and Portsmouth and oversees the investment activity of those companies. Depending on certain market conditions and various risk factors, Mr. Winfield, Santa Fe, and Portsmouth may, at times, invest in the same companies in which the Company invests. ## PROPOSAL NO. 2

### RATIFICATION OF THE RETENTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has appointed the firm of Moss Adams LLP (“Moss Adams”) as the Company’s independent registered public accounting firm for the fiscal year ending June 30, 2020. Although the action of shareholders in this matter is not required, the Audit Committee believes it is appropriate to seek shareholder ratification of this appointment. Ratification requires the affirmative vote of a majority of the shares represented and voted at the Annual Meeting.

We expect that a representative of Moss Adams LLP will be present at the Annual Meeting to respond to appropriate questions from shareholders, and we will provide this representative with an opportunity to make a statement if he or she desires to do so.

**THE FOLLOWING REPORT OF THE AUDIT COMMITTEE SHALL NOT BE DEEMED TO BE SOLICITING MATERIAL OR FILING WITH THE SEC UNDER THE SECURITIES ACT OR THE EXCHANGE ACT OR INCORPORATED BY REFERENCE IN ANY DOCUMENT SO FILED.**

#### AUDIT COMMITTEE REPORT

The Audit Committee’s responsibilities are described in a written charter adopted by the Board of Directors. The Audit Committee primary duties and responsibilities are to serve as an independent and objective party to monitor the Company’s financial reporting process and internal control system; appoint and approve the compensation of the Company’s independent registered public accounting firm; review and appraise the audit efforts of the Company’s independent registered public accounting firm; and provide an open avenue of communications among the independent registered public accounting firm, financial and senior management, and the Board of Directors. During the fiscal year ended June 30, 2017, the Company retained Hein & Associates LLP (“Hein”) as its independent registered public accounting firm to provide audit and audit-related services. Effective November 16, 2017, Hein combined with Moss Adams LLP (“Moss Adams”). As a result of this transaction, on November 16, 2017, Hein resigned as the independent registered public accounting firm for the Company. Concurrent with such resignation, the Company’s audit committee approved the engagement of Moss Adams as the new independent registered public accounting firm for the Company. All fees and expenses paid to Hein and Moss Adams were approved by the Audit Committee.

The Audit Committee reviewed and discussed the audited financial statements with Hein and Moss Adams, and management represented to the Audit Committee that the consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. The discussions with Hein and Moss Adams also included the matters required by Statement on Auditing Standards No. 114 (AICPA, *Professional Standards*, Vol. 1, AU Section 380), as adopted by the U.S. Public Company Accounting Oversight Board (“PCAOB”) in Rule 3200T regarding “*Communication with Audit Committees.*”

The Audit Committee has also received written disclosures and letters from Hein and Moss Adams, as required by applicable requirements of the PCAOB regarding the independent accountants’ communications with the Audit Committee concerning independence, which was also discussed with Hein and Moss Adams.

Based on the Audit Committee’s review of the audited financial statements, and the review and discussions with management and Hein and Moss Adams referred to above, the Audit Committee recommended to the Company’s Board of Directors that the audited financial statements be included in the Company’s Annual Report on Form 10-K for the fiscal year ended June 30, 2019, for filing with the Securities and Exchange Commission.

The Audit Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting. All of the services described herein were approved by the Audit Committee pursuant to its pre-approval policies.

### PROPOSAL NO. 3

#### AMENDMENTS TO OUR 2010 INCENTIVE PLAN

As currently drafted our 2010 Incentive Plan terminates in February 2020 and only provides for terms of options of no longer than 10 years. The Board has approved amendments which would amend Section 1.3 of the 2010 Incentive Plan to extend the term from ten (10) years to sixteen (16) years, and Section 6.4 of the 2010 Incentive Plan to change “tenth (10<sup>th</sup>) anniversary date” to “twentieth (20<sup>th</sup>) anniversary date”. This would increase the term of the Plan to 20 years (expiring in February 2030 instead of February 2020) and also permit the existence of options with a term longer than ten years.

The purpose of the amendment to the term is to extend its existence as our only equity incentive plan. The purpose of amendment of the allowable term of options is so that the Board may extend the term of the 100,000 options granted to John Winfield on March 16, 2010 from ten years to sixteen years so that these options will terminate on March 16, 2026 instead of on March 16, 2020, in recognition of Mr. Winfield’s contributions to and leadership of our Company. Upon approval of these amendments by the shareholders, our Board of Directors intends to extend the term of Mr. Winfield’s options as described in this paragraph.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” APPROVAL OF THE AMENDMENTS TO OUR 2010 INCENTIVE PLAN.**

### PROPOSAL NO. 4

#### NON-BINDING PROPOSAL TO APPROVE THE COMPENSATION OF OUR EXECUTIVE OFFICERS

SEC rules adopted pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enable our shareholders to vote to approve, on an advisory (non-binding) basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the SEC’s rules.

For the reasons stated below, we are requesting your approval of the following non-binding resolution:

**“RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion is hereby APPROVED.”**

The compensation of our named executive officers and our compensation philosophy policies are comprehensively described in the tables (including all footnotes) and narrative disclosure included in this proxy statement.

The Board of Directors designs our compensation policies for our named executive officers to create executive compensation arrangements that are linked both to the creation of long-term growth, sustained shareholder value and individual and corporate performance, and are competitive with peer companies of similar size, value and complexity and encourage stock ownership by our senior management. Based on its review of the total compensation of our named executive officers for fiscal year 2019, the Board of Directors believes that the total compensation for each of the named executive officers is reasonable and effectively achieves the designed objectives of driving superior business and financial performance, attracting, retaining and motivating our people, aligning our executives with shareholders’ long-term interests, focusing on the long-term and creating balanced program elements that discourage excessive risk-taking.

Neither the approval nor the disapproval of this resolution will be binding on the Board of Directors or us or will be construed as overruling a decision by the Board of Directors or us. Neither the approval nor the disapproval of this resolution will create or imply any change to our fiduciary duties or create or imply any additional fiduciary duties for the Board of Directors or us. However, the Board of Directors values the opinions that our shareholders express in their votes and will consider the outcome of the vote when making future executive compensation decisions as it deems appropriate.

**THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE TO APPROVE THE NON-BINDING ADVISORY RESOLUTION APPROVING THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.**

**SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS.**

The following table sets forth information as of June 30, 2019, with respect to compensation plans (including individual compensation arrangements) under which equity securities of the Company are authorized for issuance, aggregated as follows:
