**THE INTERGROUP CORPORATION**  
**NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**  
**(UNAUDITED)**

**NOTE 1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES**

The condensed consolidated financial statements included herein have been prepared by The InterGroup Corporation (“InterGroup” or the “Company”), without audit, according to the rules and regulations of the Securities and Exchange Commission. Certain information and footnote disclosures normally included in the condensed consolidated financial statements prepared in accordance with generally accepted accounting principles (U.S. GAAP) have been condensed or omitted pursuant to such rules and regulations, although the Company believes the disclosures that are made are adequate to make the information presented not misleading. Further, the condensed consolidated financial statements reflect, in the opinion of management, all adjustments (which included only normal recurring adjustments) necessary for a fair statement of the financial position, cash flows and results of operations as of and for the periods indicated. It is suggested that these financial statements be read in conjunction with the audited financial statements of InterGroup and the notes therein included in the Company’s Annual Report on Form 10-K for the year ended June 30, 2020. The March 31, 2021 Condensed Consolidated Balance Sheet was derived from the Consolidated Balance Sheet as included in the Company’s Form 10-K for the year ended June 30, 2020.

The results of operations for the nine months ended March 31, 2021 are not necessarily indicative of results to be expected for the full fiscal year ending June 30, 2021.

Basic and diluted income per share is computed by dividing net income available to common stockholders by the weighted average number of common shares outstanding. The computation of diluted income per share is similar to the computation of basic earnings per share except that the weighted-average number of common shares is increased to include the number of additional common shares that would have been outstanding if potential dilutive common shares had been issued. The Company’s only potentially dilutive common shares are stock options.

Effective February 19, 2021, the Company’s 83.7% owned subsidiary, Santa Fe Financial Corporation (“Santa Fe”), a public company (OTCBB: SFEF), was liquidated and all of its assets including its 68.8% interest in Portsmouth Square Inc. (“Portsmouth”), a public company (OTCBB: PRSI) was distributed to its shareholders in exchange for their Santa Fe common stock. InterGroup received cash of \$5,013,000 and 422,998 shares of Portsmouth common stock in March 2021 as a result of the liquidation of Santa Fe. As a former 3.7% shareholder of Santa Fe, the Company’s President, Chairman of the Board and Chief Executive Officer, John Winfield, received cash of \$221,000 and 18,641 shares of Portsmouth common stock in March 2021 as a result of the liquidation of Santa Fe. On April 12, 2021, Santa Fe received a filed stamped copy of its Articles of Dissolution from the State of Nevada, and Santa Fe is effectively fully dissolved and no longer in legal existence. The liquidation and distribution of Santa Fe did not have an impact on the condensed consolidated statement of operations but rather on the condensed consolidated balance sheets as a reclass between noncontrolling interests and accumulated deficit. As of March 31, 2021, InterGroup owns approximately 71.3% of the outstanding common shares of Portsmouth. As of March 31, 2021, the Company’s President, Chairman of the Board and Chief Executive Officer, John Winfield, owns approximately 2.5% of the outstanding common shares of Portsmouth. Mr. Winfield also serves as the President, Chairman of the Board and Chief Executive Officer of Portsmouth.

Portsmouth’s primary business is conducted through its general and limited partnership interest in Justice Investors Limited Partnership, a California limited partnership (“Justice” or the “Partnership”). As of March 31, 2021, Portsmouth has a 97.5% limited partnership interest in Justice and is the sole general partner. The financial statements of Justice are consolidated with those of the Company.

Justice, through its subsidiaries Justice Operating Company, LLC (“Operating”) and Justice Mezzanine Company, LLC (“Mezzanine”) owns and operates a 544-room hotel property located at 750 Kearny Street, San Francisco California, known as the Hilton San Francisco Financial District (the “Hotel”) and related facilities including a five-level underground parking garage. Mezzanine is a wholly-owned subsidiary of the Partnership; Operating is a wholly-owned subsidiary of Mezzanine. Mezzanine is the borrower under certain mezzanine indebtedness of Justice, and in December 2013, the Partnership conveyed ownership of the Hotel to Operating. The Hotel is operated by the partnership as a full-service Hilton brand hotel pursuant to a Franchise License Agreement with HLT Franchise Holding LLC (Hilton) through January 31, 2030.

Justice entered into a Hotel management agreement (“HMA”) with Interstate Management Company, LLC (“Interstate”) to manage the Hotel, along with its five-level parking garage, with an effective takeover date of February 3, 2017. The term of the management agreement is for an initial period of ten years commencing on the takeover date and automatically renews for successive one (1) year periods, to not exceed five years in the aggregate, subject to certain conditions. Under the terms on the HMA, base management fee payable to Interstate shall be one and seven-tenths percent (1.70%) of total Hotel revenue. On October 25, 2019, Interstate merged with Aimbridge Hospitality, North America’s largest independent hotel management firm. With the completion of the merger, the newly combined company will be positioned under the Aimbridge Hospitality name in the Americas.

In addition to the operations of the Hotel, the Company also generates income from the ownership, management and, when appropriate, sale of real estate. Properties include fifteen apartment complexes, one commercial real estate property and three single-family houses. The properties are located throughout the United States, but are concentrated in Dallas, Texas and Southern California. The Company also has an investment in unimproved real property. As of March 31, 2021, all of the Company’s residential and commercial rental properties are managed in-house.

#### **Due to Securities Broker**

Various securities brokers have advanced funds to the Company for the purchase of marketable securities under standard margin agreements. These advanced funds are recorded as a liability.

#### **Obligations for Securities Sold**

Obligation for securities sold represents the fair market value of shares sold with the promise to deliver that security at some future date and the fair market value of shares underlying the written call options with the obligation to deliver that security when and if the option is exercised. The obligation may be satisfied with current holdings of the same security or by subsequent purchases of that security. Unrealized gains and losses from changes in the obligation are included in the condensed consolidated statements of operations.

#### **Income Tax**

The Company consolidates Justice (“Hotel”) for financial reporting purposes and is not taxed on its non-controlling interest in the Hotel. The income tax expense during the nine months ended March 31, 2021 and 2020 represent the income tax effect on the Company’s pretax income which includes its share in the net (loss) income of the Hotel.

#### **Recently Issued and Adopted Accounting Pronouncements**

In February 2016, the Financial Accounting Standards Board (FASB) issued ASU 2016-02, *Leases (Topic 842)*. ASU 2016-02 requires lessees to recognize lease assets and lease liabilities on the balance sheet and requires expanded disclosures about leasing arrangements. ASU 2016-02 is effective for fiscal years beginning after December 15, 2018, and interim periods in fiscal years beginning after December 15, 2018, with early adoption permitted. In July 2018, the FASB issued ASU 2018-11, *Leases (Topic 842): Targeted Improvements*. ASU 2018-11 provides entities another option for transition, allowing entities to not apply the new standard in the comparative periods they present in their financial statements in the year of adoption. Effective July 1, 2019, we adopted ASU 2016-02 using the modified retrospective approach provided by ASU 2018-11. We elected certain practical expedients permitted under the transition guidance, including the election to carryforward historical lease classification. We also elected the short-term lease practical expedient, which allowed us to not recognize leases with a term of less than twelve months on our consolidated balance sheets. In addition, we elected the lease and non-lease components practical expedient, which allowed us to calculate the present value of the fixed payments without performing an allocation of lease and non-lease components. We did not record any operating lease right-of-use (“ROU”) assets and operating lease liabilities upon adoption of the new standard as the aggregate value of the ROU assets and operating lease liabilities are immaterial relative to our total assets and liabilities as of June 30, 2020 and 2019. The standard did not have an impact on our other finance leases, statements of operations or cash flows. See Note 4 and Note 12 for balances of finance lease ROU assets and liabilities, respectively.

In August 2018, the FASB issued Accounting Standard Update No. 2018-13, *Changes to Disclosure Requirements for Fair Value Measurements (Topic 820)* (ASU 2018-13), which improved the effectiveness of disclosure requirements for recurring and nonrecurring fair value measurements. The amendments in this Update are effective for all entities for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. The amendments on changes in unrealized gains and losses, the range and weighted average of significant unobservable inputs used to develop Level 3 fair value measurements, and the narrative description of measurement uncertainty should be applied prospectively for only the most recent interim or annual period presented in the initial fiscal year of adoption. All other amendments should be applied retrospectively to all periods presented upon their effective date. Early adoption is permitted upon issuance of this Update. An entity is permitted to early adopt any removed or modified disclosures upon issuance of this Update and delay adoption of the additional disclosures until their effective date. The Company has adopted the new standard effective July 1, 2020 and the adoption of this guidance does not have a material impact on its condensed consolidated financial statements.

## NOTE 2 - LIQUIDITY

Historically, our cash flows have been primarily generated from our Hotel and real estate operations. However, the responses by federal, state, and local civil authorities to the COVID-19 pandemic has had a material detrimental impact on our liquidity. For the nine months ended March 31, 2021, our net cash flow used in operations was \$24,314,000. For the nine months ended March 31, 2020, our net cash flow provided by operations was \$2,271,000. We have taken several steps to preserve capital and increase liquidity at our Hotel, including implementing strict cost management measures to eliminate non-essential expenses, postponing capital expenditures, renegotiating certain reoccurring expenses, and temporarily closing certain hotel services and outlets.

The Company had cash and cash equivalents of \$8,880,000 and \$14,163,000 as of March 31, 2021 and June 30, 2020, respectively. The Company had net funds available from its investments in marketable securities of \$22,714,000 as of March 31, 2021 after \$9,021,000 due to securities broker and \$5,261,000 obligations for securities sold. As of June 30, 2020, the Company had net funds available from investments in marketable securities of \$4,308,000 after \$1,576,000 due to securities broker and \$294,000 obligations for securities sold. In addition, the Hotel had \$5,785,000 and \$10,666,000 of restricted cash held by its senior lender Wells Fargo Bank, N.A. (“Lender”) as of March 31, 2021 and June 30, 2020, respectively. Of the \$10,666,000 restricted cash held as of June 30, 2020, \$2,432,000 was for a possible future property improvement plan (“PIP”) requested by our franchisor, Hilton. However, Hilton has confirmed that it will not require a PIP for our Hotel until relicensing which shall occur at the earlier of (i) January 2030, which is six years after the maturity date of our current senior and mezzanine loans, or (ii) upon the sale of our Hotel. On August 19, 2020, Lender released PIP deposits in the amount of \$2,379,000 to the Hotel. The funds were utilized to fund operating expenses, including franchise and management fees and other expenses.

On April 9, 2020, Justice entered into a loan agreement (“SBA Loan - Justice”) with CIBC Bank USA under the recently enacted CARES Act administered by the U.S. Small Business Administration. The Partnership received proceeds of \$4,719,000 from the SBA Loan - Justice. In accordance with the requirements of the CARES Act, Justice has used proceeds from the loan primarily for payroll costs. As of March 31, 2021, Justice had used all proceeds of the SBA Loan - Justice in qualified expenses. The SBA Loan - Justice is scheduled to mature on April 9, 2022 and has a 1.00% interest rate. On April 27, 2020, InterGroup entered into a loan agreement (“SBA Loan - InterGroup”) with CIBC Bank USA under the CARES Act and received loan proceeds in the amount of \$453,000. As of March 31, 2021, InterGroup had used all of the \$453,000 loan proceeds in qualified payroll expenses. The SBA Loan – InterGroup was scheduled to mature on April 27, 2022 and had a 1.00% interest rate. The SBA Loans are subject to the terms and conditions applicable to loans administered by the U.S. Small Business Administration under the CARES Act. If the SBA approves the forgiveness amount, all payments of principal and interest are deferred until the date the forgiveness amount is remitted by the SBA to CIBC. If the SBA does not forgive any amount of the loan, payments would start within 30 days. All unforgiven portion of the principal and accrued interest will be due at maturity. During the quarter ended December 31, 2020, Justice and the Company submitted applications for full loan forgiveness. As of March 31, 2021, the SBA has not forgiven the SBA Loan – Justice. As of March 31, 2021, the SBA has forgiven the full \$453,000 of the SBA Loan – InterGroup.

On February 3, 2021, Justice entered into a second loan agreement (“Second SBA Loan”) with CIBC Bank USA administered by the SBA. Justice received proceeds of \$2,000,000 from the Second SBA Loan. Justice will use proceeds from the Second SBA Loan primarily for payroll costs. The Second SBA Loan is scheduled to mature on February 3, 2026 and has a 1.00% interest rate and is subject to the terms and conditions applicable to loans administered by the U.S. Small Business Administration under the CARES Act. All payments of principal and interest are deferred until either: (a) if the SBA approves the forgiveness amount, the date the forgiveness amount is remitted by the SBA to CIBC; or (b) if Justice does not apply for forgiveness within 10 months after the last day of the covered period specified in the loan agreement or if the forgiveness amount is not approved, the date that is 10 months after the last day of the covered period. The loan may be forgiven if the funds are used for payroll and other qualified expenses. All unforgiven portion of the principal and accrued interest will be due at maturity. As of March 31, 2021, unused portion of the Second SBA Loan was \$350,000.

In order to increase its liquidity position and to take advantage of the favorable interest rate environment, InterGroup refinanced its 151-unit apartment complex in Parsippany, New Jersey on April 30, 2020, generating net proceeds of \$6,814,000. In June 2020, InterGroup refinanced one of its California properties and generated net proceeds of \$1,144,000. During the nine months ended March 31, 2021, InterGroup completed refinancing on three of its California properties and generated net proceeds of \$5,384,000. InterGroup is currently evaluating other refinancing opportunities and it could refinance additional multifamily properties should the need arise, or should management consider the interest rate environment favorable. InterGroup has an uncollateralized \$8,000,000 revolving line of credit from CIBC Bank USA (“CIBC”) and the entire \$8,000,000 is available to be drawn down as of March 31, 2021 should additional liquidity be necessary. On August 28, 2020, Santa Fe sold its 27-unit apartment complex located in Santa Monica, California for \$15,650,000 and realized a gain on the sale of approximately \$12,043,000. Santa Fe will manage its federal and state income tax liability, and anticipates the utilization of its available net operating losses and capital loss carryforwards. Santa Fe received net proceeds of \$12,163,000 after selling costs and repayment of InterGroup’s RLOC of \$2,985,000 as InterGroup had drawn on its RLOC in July 2018 to pay off the previous Fannie Mae mortgage on the property. Furthermore, pursuant to the Contribution Agreement between Santa Fe and InterGroup, Santa Fe paid InterGroup \$662,000 from the sale.

As the sole general partner of Justice that controls approximately 97.5% of the voting interest in the Partnership, Portsmouth has the ability to amend the partnership agreement to allow for capital calls to the limited partners of Justice if needed. The majority of any capital calls will be met by Portsmouth. Portsmouth will have financing availability, upon the authorization of the respective board of directors, to borrow from InterGroup to meet any capital calls and its other obligations during the next twelve months and beyond. On August 28, 2020, the Board of InterGroup passed resolution to provide funding to Portsmouth if necessary. On December 16, 2020, Justice and InterGroup entered into a loan modification agreement which increased Justice’s borrowing from InterGroup as needed up to \$10,000,000. Since December 2020, InterGroup has advanced \$2,950,000 to Justice per the aforementioned loan modification agreement. The Partnership is also allowed to seek additional loans and sell partnership interests. Upon the consent of the general partner and a super majority in interest, the Partnership may sell additional classes or series of units of the Partnership under certain conditions in order to raise additional capital. As of March 31, 2021, Justice has an outstanding loan balance of \$5,950,000 due to InterGroup.

Our known short-term liquidity requirements primarily consist of funds necessary to pay for operating and other expenditures, including management and franchise fees, corporate expenses, payroll and related costs, taxes, interest and principal payments on our outstanding indebtedness, and repairs and maintenance of the Hotel.

Our long-term liquidity requirements primarily consist of funds necessary to pay for scheduled debt maturities and capital improvements of the Hotel and our real estate properties. We will continue to finance our business activities primarily with existing cash, including from the activities described above, and cash generated from our operations. After considering our approach to liquidity and accessing our available sources of cash, we believe that our cash position, after giving effect to the transactions discussed above, will be adequate to meet anticipated requirements for operating and other expenditures, including corporate expenses, payroll and related benefits, taxes and compliance costs and other commitments, for at least twelve months from the date of issuance of these financial statements, even if current levels of low occupancy and low revenue per available room (“RevPAR”) were to persist. The objectives of our cash management policy are to maintain existing leverage levels and the availability of liquidity, while minimizing operational costs. We believe that our cash on hand, along with other potential aforementioned sources of liquidity that management may be able to obtain, will be sufficient to fund our working capital needs, as well as our capital lease and debt obligations for at least the next twelve months and beyond. However, there can be no guarantee that management will be successful with its plan.

The following table provides a summary as of March 31, 2021, the Company's material financial obligations which also includes interest payments.

### NOTE 3 – REVENUE

Our revenue from real estate is primarily rental income from residential and commercial property leases which is recorded when due from residents and is recognized monthly as earned. The following table present our Hotel revenue disaggregated by revenue streams.

#### *Performance obligations*

We identified the following performance obligations, for which revenue is recognized as the respective performance obligations are satisfied, which results in recognizing the amount we expect to be entitled to for providing the goods or services:

- *Cancelable room reservations or ancillary services* are typically satisfied as the good or service is transferred to the hotel guest, which is generally when the room stay occurs.
- *Noncancelable room reservations and banquet or conference reservations* represent a series of distinct goods or services provided over time and satisfied as each distinct good or service is provided, which is reflected by the duration of the room reservation.
- *Other ancillary goods and services* are purchased independently of the room reservation at standalone selling prices and are considered separate performance obligations, which are satisfied when the related good or service is provided to the hotel guest.
- *Components of package reservations* for which each component could be sold separately to other hotel guests are considered separate performance obligations and are satisfied as set forth above.

Hotel revenue primarily consists of hotel room rentals, revenue from accommodations sold in conjunction with other services (e.g., package reservations), food and beverage sales and other ancillary goods and services (e.g., parking). Revenue is recognized when rooms are occupied or goods and services have been delivered or rendered, respectively. Payment terms typically align with when the goods and services are provided. For package reservations, the transaction price is allocated to the performance obligations within the package based on the estimated standalone selling prices of each component.

We do not disclose the value of unsatisfied performance obligations for contracts with an expected length of one year or less. Due to the nature of our business, our revenue is not significantly impacted by refunds. Cash payments received in advance of guests staying at our hotel are refunded to hotel guests if the guest cancels within the specified time period, before any services are rendered. Refunds related to service are generally recognized as an adjustment to the transaction price at the time the hotel stay occurs or services are rendered.

***Contract assets and liabilities***

We do not have any material contract assets as of March 31, 2021 and June 30, 2020 other than trade and other receivables, net on our condensed consolidated balance sheets. Our receivables are primarily the result of contracts with customers, which are reduced by an allowance for doubtful accounts that reflects our estimate of amounts that will not be collected.

We record contract liabilities when cash payments are received or due in advance of guests staying at our hotel, which are presented within accounts payable and other liabilities on our condensed consolidated balance sheets. Contract liabilities decreased to \$173,000 as of March 31, 2021, from \$375,000 as of June 30, 2020. The decrease for the nine months ended March 31, 2021 was primarily driven by \$202,000 of revenue recognized and refunds issued to guests as a result of the COVID-19 outbreak.

***Contract costs***

We consider sales commissions earned to be incremental costs of obtaining a contract with our customers. As a practical expedient, we expense these costs as incurred as our contracts with customers and lease agreements do not extend beyond one year.

On August 28, 2020, Santa Fe sold its 27-unit apartment complex located in Santa Monica, California for \$15,650,000 and realized a gain on the sale of approximately \$12,043,000. Santa Fe will manage its federal and state income tax liability, and anticipates the utilization of its available net operating losses and capital loss carryforwards. Santa Fe received net proceeds of \$12,163,000 after selling costs and repayment of the RLOC of \$2,985,000 as the Company had drawn on its RLOC in July 2018 to pay off the previous Fannie Mae mortgage on the property.

On November 23, 2020, Santa Fe sold its 2-unit apartment complex in West Los Angeles, California to InterGroup for \$1,530,000 in exchange for a reduction of \$1,196,000 of its obligation to InterGroup. Santa Fe acquired the property on February 1, 2002 for \$785,000. Outstanding mortgage on the property for \$334,000 was simultaneously transferred to InterGroup. Santa Fe realized a gain on the sale of approximately \$901,000, which was eliminated in consolidation at InterGroup. The sales price of the property represents its current value as of the sale date as appraised by a licensed independent third-party appraiser. The fairness of the sale terms of the transaction were reviewed and approved by the independent directors of Santa Fe and InterGroup, and unanimously approved by the entire Board of Directors of both companies.

In March 2021, in an effort to make both companies more efficient, InterGroup purchased back the 50% interest of InterGroup Uluniu Inc. from Portsmouth for \$980,000, which represents Portsmouth's carrying cost of the investment. No gains or losses were realized as a result of the transaction since it was a related-party transaction. As a related-party transaction, the fairness of the financial terms of the transactions were reviewed and approved by the independent director of the Company.

The Company may also invest, with the approval of the Executive Strategic Real Estate and Securities Investment Committee and other Company guidelines, in private investment equity funds and other unlisted securities, such as convertible notes through private placements. Those investments in non-marketable securities are carried at cost on the Company's consolidated balance sheet as part of other investments, net of other than temporary impairment losses.

Other investments, net consist of the following:

<b>Type</b>	<b>March 31, 2021</b>	<b>June 30, 2020</b>
Private equity hedge fund, at cost	\$ 41,000	\$ 157,000

#### **NOTE 8 - FAIR VALUE MEASUREMENTS**

The carrying values of the Company's financial instruments not required to be carried at fair value on a recurring basis approximate fair value due to their short maturities (i.e., accounts receivable, other assets, accounts payable and other liabilities and obligations for securities sold) or the nature and terms of the obligation (i.e., other notes payable and mortgage notes payable).

The assets and liabilities measured at fair value on a recurring basis are as follows:

<b>Investment in marketable securities:</b>

	<u>\$ 22,714,000</u>	<u>\$ 4,308,000</u>

The fair values of investments in marketable securities are determined by the most recently traded price of each security at the balance sheet date.

Financial assets that are measured at fair value on a non-recurring basis and are not included in the tables above include "Other investments in non-marketable securities," that were initially measured at cost and have been written down to fair value as a result of impairment. The following table shows the fair value hierarchy for these assets measured at fair value on a non-recurring basis as follows:

<b>Assets</b>	<b>Level 3</b>	<b>March 31, 2021</b>	<b>Net loss for the nine months ended March 31, 2021</b>
Other non-marketable investments	\$ 41,000	\$ 41,000	\$ (119,000)

  

<b>Assets</b>	<b>Level 3</b>	<b>June 30, 2020</b>	<b>Net loss for the nine months ended March 31, 2020</b>
Other non-marketable investments	\$ 278,000	\$ 278,000	\$ (103,000)

For the nine months ended March 31, 2021 and 2020, we received distribution from other non-marketable investments of \$118,000 and \$115,000, respectively.

Other investments in non-marketable securities are carried at cost net of any impairment loss. The Company has no significant influence or control over the entities that issue these investments and holds less than 20% ownership in each of the investments. These investments are reviewed on a periodic basis for other-than-temporary impairment. The Company reviews several factors to determine whether a loss is other-than-temporary. These factors include but are not limited to: (i) the length of time an investment is in an unrealized loss position, (ii) the extent to which fair value is less than cost, (iii) the financial condition and near term prospects of the issuer and (iv) our ability to hold the investment for a period of time sufficient to allow for any anticipated recovery in fair value.

## NOTE 9 – CASH, CASH EQUIVALENTS AND RESTRICTED CASH

The following table provides a reconciliation of cash, cash equivalents, and restricted cash reported within the condensed consolidated balance sheets that sum to the total of the same such amounts shown in the condensed consolidated statement of cash flows.

As of	<u>March 31, 2021</u>	<u>June 30, 2020</u>
Cash and cash equivalents	\$ 8,880,000	\$ 14,163,000
Restricted cash	7,643,000	14,123,000
Total cash, cash equivalents, and restricted cash shown in the condensed consolidated statement of cash flows	<u>\$ 16,523,000</u>	<u>\$ 28,286,000</u>

Restricted cash is comprised of amounts held by lenders for payment of real estate taxes, insurance, replacement and capital addition reserves for the Hotel. As of June 30, 2020, restricted cash also includes key money received from Interstate that is restricted for capital improvements for the Hotel. As of March 31, 2021, the key money balance was zero as Hotel obtained approval from Interstate to use the funds for hotel operations during the first quarter of fiscal year 2021.

## NOTE 10 – STOCK BASED COMPENSATION PLANS

The Company follows Accounting Standard Codification (ASC) Topic 718 “Compensation – Stock Compensation”, which addresses accounting for equity-based compensation arrangements, including employee stock options and restricted stock units.

Please refer to Note 16 – Stock Based Compensation Plans in the Company’s Form 10-K for the year ended June 30, 2020 for more detailed information on the Company’s stock-based compensation plans.

During the three months ended March 31, 2021 and 2020, the Company recorded stock option compensation cost of \$2,000 and \$121,000, respectively, related to stock options that were previously issued. During the nine months ended March 31, 2021 and 2020, the Company recorded stock option compensation cost of \$12,000 and \$138,000, respectively, related to stock options that were previously issued. As of March 31, 2021, there was a total of \$6,000 of unamortized compensation related to stock options which is expected to be recognized over the weighted-average period of 0.92 years.

On February 25, 2020, shareholders of the Company voted in favor of amendments to the Company’s 2010 Omnibus Employee Incentive Plan (the “2010 Incentive Plan”) which would amend Section 1.3 of the 2010 Incentive Plan to extend the term from ten (10) years to sixteen (16) years, and Section 6.4 of the 2010 Incentive Plan to change “tenth (10th) anniversary date” to “twentieth (20th) anniversary date”. This would increase the term of the 2010 Incentive Plan to 20 years (expiring in February 2030 instead of February 2020) and also permit the existence of options with a term longer than ten years. The purpose of the amendment to the term is to extend its existence as our only equity incentive plan. The purpose of amendment of the allowable term of options is so that the Board may extend the term of the 100,000 options granted to John Winfield on March 16, 2010 from ten years to sixteen years so that these options will terminate on March 16, 2026 instead of on March 16, 2020, in recognition of Mr. Winfield’s contributions to and leadership of our Company. Upon approval of these amendments by the shareholders, our Board of Directors extended the term of Mr. Winfield’s options as described in this paragraph. As a result of extending Mr. Winfield’s options, the Company recorded stock option compensation cost of \$116,000 in March 2020.

Option-pricing models require the input of various subjective assumptions, including the option’s expected life and the price volatility of the underlying stock. The expected stock price volatility is based on analysis of the Company’s stock price history. The Company has selected to use the simplified method for estimating the expected term. The risk-free interest rate is based on the U.S. Treasury interest rates whose term is consistent with the expected life of the stock options. No dividend yield is included as the Company has not issued any dividends and does not anticipate issuing any dividends in the future.

The following table summarizes the stock options activity from July 1, 2019 through March 31, 2021:

		Number of Shares	Weighted Average Exercise Price	Weighted Average Remaining Life	Aggregate Intrinsic Value

<b>As of</b>	<b>March 31, 2021</b>	<b>June 30, 2020</b>

Note payable - Interstate	1,458,000	1,646,000
SBA Loans	6,719,000	5,172,000
Total related party and other notes payable	<u>\$ 10,948,000</u>	<u>\$ 9,826,000</u>

Note payable to Hilton (Franchisor) is a self-exhausting, interest free development incentive note which is reduced by approximately \$316,000 annually through 2030 by Hilton if the Partnership is still a Franchisee with Hilton.

On February 1, 2017, Justice entered into an HMA with Interstate to manage the Hotel with an effective takeover date of February 3, 2017. The term of the management agreement is for an initial period of 10 years commencing on the takeover date and automatically renews for an additional year not to exceed five years in aggregate subject to certain conditions. The HMA also provides for Interstate to advance a key money incentive fee to the Hotel for capital improvements in the amount of \$2,000,000 under certain terms and conditions described in a separate key money agreement. The key money contribution shall be amortized in equal monthly amounts over an eight (8) year period commencing on the second anniversary of the takeover date. As of March 31, 2021, the key money balance was zero as Hotel obtained approval from Interstate to use the funds for hotel operations during the first quarter of fiscal year 2021. As of June 30, 2020, balance of the key money plus accrued interest is \$1,009,000 and is included in restricted cash in the condensed consolidated balance sheet. Unamortized portion of the key money is included in the related party notes payable in the condensed consolidated balance sheets.

On April 9, 2020, Justice entered into a loan agreement (“SBA Loan - Justice”) with CIBC Bank USA under the recently enacted CARES Act administered by the U.S. Small Business Administration. The Partnership received proceeds of \$4,719,000 from the SBA Loan - Justice. In accordance with the requirements of the CARES Act, Justice has used proceeds from the loan primarily for payroll costs. As of March 31, 2021, Justice had used all proceeds of the SBA Loan - Justice in qualified expenses. The SBA Loan - Justice is scheduled to mature on April 9, 2022 and has a 1.00% interest rate. On April 27, 2020, InterGroup entered into a loan agreement (“SBA Loan - InterGroup”) with CIBC Bank USA under the CARES Act and received loan proceeds in the amount of \$453,000. As of March 31, 2021, InterGroup had used all of the \$453,000 loan proceeds in qualified payroll expenses. The SBA Loan – InterGroup was scheduled to mature on April 27, 2022 and had a 1.00% interest rate. The SBA Loans are subject to the terms and conditions applicable to loans administered by the U.S. Small Business Administration under the CARES Act. If the SBA approves the forgiveness amount, all payments of principal and interest are deferred until the date the forgiveness amount is remitted by the SBA to CIBC. If the SBA does not forgive any amount of the loan, payments would start within 30 days. All unforgiven portion of the principal and accrued interest will be due at maturity. During the quarter ended December 31, 2020, Justice and InterGroup submitted applications for full loan forgiveness. As of March 31, 2021, the SBA has not forgiven the SBA Loan – Justice. As of March 31, 2021, the SBA has forgiven the full \$453,000 of the SBA Loan – InterGroup.

On February 3, 2021, Justice entered into a second loan agreement (“Second SBA Loan”) with CIBC Bank USA administered by the SBA. Justice received proceeds of \$2,000,000 from the Second SBA Loan. Justice will use proceeds from the Second SBA Loan primarily for payroll costs. The Second SBA Loan is scheduled to mature on February 3, 2026 and has a 1.00% interest rate and is subject to the terms and conditions applicable to loans administered by the U.S. Small Business Administration under the CARES Act. All payments of principal and interest are deferred until either: (a) if the SBA approves the forgiveness amount, the date the forgiveness amount is remitted by the SBA to CIBC; or (b) if Justice does not apply for forgiveness within 10 months after the last day of the covered period specified in the loan agreement or if the forgiveness amount is not approved, the date that is 10 months after the last day of the covered period. The loan may be forgiven if the funds are used for payroll and other qualified expenses. All unforgiven portion of the principal and accrued interest will be due at maturity. As of March 31, 2021, unused portion of the Second SBA Loan was \$350,000.

As of March 31, 2021, the Company had finance lease obligations outstanding of \$783,000. These finance leases expire in various years through 2023 at rates ranging from 4.62% to 6.25% per annum. Minimum future lease payments for assets under finance leases as of March 31, 2021 are as follows:

2024	567,000
2025	567,000
Thereafter	3,581,000
	<u>\$11,730,000</u>

To fund the redemption of limited partnership interests and to repay the prior mortgage of \$42,940,000, Justice obtained a \$97,000,000 mortgage loan and a \$20,000,000 mezzanine loan in December 2013. The mortgage loan is secured by the Partnership's principal asset, the Hotel. The mortgage loan bears an interest rate of 5.275% per annum with interest only payments due through January 2017. Beginning in February 2017, the loan began to amortize over a thirty-year period through its maturity date of January 2024. Outstanding principal balance on the loan was \$91,130,000 and \$92,292,000 as of March 31, 2021 and June 30, 2020, respectively. As additional security for the mortgage loan, there is a limited guaranty executed by Portsmouth in favor of the mortgage lender. The mezzanine loan is secured by the Operating membership interest held by Mezzanine and is subordinated to the Mortgage Loan. The mezzanine interest only loan had an interest rate of 9.75% per annum and a maturity date of January 1, 2024. As additional security for the mezzanine loan, there is a limited guaranty executed by Portsmouth in favor of the mezzanine lender. On July 31, 2019, Mezzanine refinanced the mezzanine loan by entering into a new mezzanine loan agreement ("New Mezzanine Loan Agreement") with Cred Reit Holdco LLC in the amount of \$20,000,000. The prior Mezzanine Loan which had a 9.75% per annum interest rate was paid off. Interest rate on the new mezzanine loan is 7.25% and the loan matures on January 1, 2024. Interest only payments are due monthly.

Effective May 11, 2017, InterGroup agreed to become an additional guarantor under the limited guaranty and an additional indemnitor under the environmental indemnity for Justice Investors limited partnership's \$97,000,000 mortgage loan and the \$20,000,000 mezzanine loan. Pursuant to the agreement, InterGroup is required to maintain certain net worth and liquidity. As of March 31, 2021, InterGroup is in compliance with both requirements. However, due to the Hotel's current low occupancy and its negative impact on the Hotel's cash flow, Justice Operating Company, LLC may not meet certain of its loan covenants such as the Debt Service Coverage Ratio ("DSCR") which would trigger the creation of a lock-box by the Lender for all cash collected by the Hotel. However, such lockbox has been created and utilized from the loan inception and will be in place up to loan maturity regardless of the DSCR.

On July 2, 2014, the Partnership obtained from InterGroup an unsecured loan in the principal amount of \$4,250,000 at 12% per year fixed interest, with a term of 2 years, payable interest only each month. InterGroup received a 3% loan fee. The loan may be prepaid at any time without penalty. The loan was extended to July 1, 2021. On December 16, 2020, Justice and InterGroup entered into a loan modification agreement which increased Justice's borrowing from InterGroup as needed up to \$10,000,000 from its current loan balance of \$3,000,000 due to InterGroup. The balance of this loan was \$5,950,00 and \$3,000,000 as of March 31, 2021 and June 30, 2020, respectively, and is eliminated in the condensed consolidated balance sheets.

In July 2018, InterGroup obtained a revolving \$5,000,000 line of credit ("RLOC") from CIBC Bank USA ("CIBC"). On July 31, 2018, \$2,969,000 was drawn from the RLOC to pay off the mortgage note payable at InterGroup Woodland Village, Inc. ("Woodland Village") and a new mortgage note payable was established at Woodland Village due to InterGroup for the amount drawn. Woodland Village holds a three-story apartment complex in Santa Monica, California and is a subsidiary of Santa Fe and the Company. The RLOC carries a variable interest rate of 30-day LIBOR plus 3%. Interest is paid on a monthly basis. The RLOC and all accrued and unpaid interest were due in July 2019. In July 2019, the Company obtained a modification from CIBC which increased the RLOC by \$3,000,000 and extended the maturity date from July 24, 2019 to July 23, 2020. The \$2,969,000 mortgage due to InterGroup carries same terms as InterGroup's RLOC. In July 2020, InterGroup entered into a second modification agreement with CIBC which extended the maturity date of its RLOC to July 21, 2021. The \$2,969,000 mortgage due to InterGroup was also extended to July 1, 2021. On August 28, 2020, Santa Fe sold its 27-unit apartment complex located in Santa Monica, California for \$15,650,000 and received net proceeds of \$12,163,000 after selling costs and repayment of InterGroup's RLOC of \$2,985,000. Furthermore, pursuant to the Contribution Agreement between Santa Fe and InterGroup, Santa Fe paid InterGroup \$662,000 from the sale.

On November 23, 2020, Santa Fe sold its 2-unit apartment complex in West Los Angeles, California to InterGroup for \$1,530,000 in exchange for a reduction of \$1,196,000 of its obligation to InterGroup. Santa Fe acquired the property on February 1, 2002 for \$785,000. Outstanding mortgage on the property for \$334,000 was simultaneously transferred to InterGroup. Santa Fe realized a gain on the sale of approximately \$901,000, which was eliminated in consolidation at InterGroup. The sales price of the property represents its current value as of the sale date as appraised by a licensed independent third-party appraiser. The fairness of the sale terms of the transaction were reviewed and approved by the independent directors of Santa Fe and InterGroup, and unanimously approved by the entire Board of Directors of both companies.

As disclosed in its Definitive Information Statement on Schedule 14C, filed with the SEC on January 25, 2021, Santa Fe received shareholder approval to distribute its assets, as described and subsequently dissolve, all as set forth in the Information Statement. As InterGroup formerly owned 83.7% of the outstanding common stock of Santa Fe, the Company received cash of \$5,013,000 and 422,998 shares of Portsmouth common stock in March 2021 as a result of the liquidation of Santa Fe. As a former 3.7% shareholder of Santa Fe, the Company's President, Chairman of the Board and Chief Executive Officer, John Winfield, received cash of \$221,000 and 18,641 shares of Portsmouth common stock in March 2021 as a result of the liquidation of Santa Fe. On April 12, 2021, Santa Fe received a filed stamped copy of its Articles of Dissolution from the State of Nevada, and Santa Fe is effectively fully dissolved and no longer in legal existence.

Four of the Portsmouth directors serve as directors of InterGroup.

As Chairman of the Executive Strategic Real Estate and Securities Investment Committee, the Company's President and Chief Executive Officer (CEO), John V. Winfield, directs the investment activity of the Company in public and private markets pursuant to authority granted by the Board of Directors. Mr. Winfield also serves as Chief Executive Officer and Chairman of the Board of Portsmouth and oversees the investment activity of Portsmouth. Effective June 2016, Mr. Winfield became the Managing Director of Justice. Depending on certain market conditions and various risk factors, the Chief Executive Officer and Portsmouth may, at times, invest in the same companies in which the Company invests. Such investments align the interests of the Company with the interests of related parties because it places the personal resources of the Chief Executive Officer and the resources of Portsmouth, at risk in substantially the same manner as the Company in connection with investment decisions made on behalf of the Company.

### **NEGATIVE EFFECTS OF CIVIL AUTHORITY ACTIONS ON OUR BUSINESS**

On February 25, 2020, the City of San Francisco issued the proclamation by the Mayor declaring the existence of a local emergency. The negative effects of the civil authority actions related to the novel strain of coronavirus ("COVID-19") on our business have been significant. In March 2020, the World Health Organization declared COVID-19 a global pandemic. This contagious virus, which has continued to spread, has adversely affected workforces, customers, economies and financial markets globally. It has also disrupted the normal operations of many businesses, including ours. To mitigate the harm from the pandemic, on March 16, 2020, the City and County of San Francisco, along with a group of five other Bay Area counties and the City of Berkeley, issued parallel health officer orders imposing shelter in place limitations across the Bay Area, requiring everyone to stay safe at home except for certain essential needs. Since February 2020, several unfavorable events and civil authority actions have unfolded causing demand for our hotel rooms to suffer including cancellations of all citywide conventions, reduction of flights in and out of the Bay Area and decline in both leisure and business travel.

In December 2020, due to the surge in COVID-19 cases and hospitalizations, the Health Officer of the City and County of San Francisco has suspended or restricted certain activities. Health Order C19-07q (the "Order") incorporates suspensions, reductions in capacity limits, and other restrictions contained in the Regional Stay At Home Order issued by the California Department of Public Health on December 3, 2020. Effective December 17, 2020, the Bay Area Region, including San Francisco, is required to comply with the State's December 3, 2020 Regional Stay-at-Home Order. The Order strongly discourages anyone in the County from travelling for leisure, recreation, business or other purposes that can be postponed until after the current surge. With limited exceptions, this Order imposed a mandatory quarantine on anyone traveling, moving, or returning to the County from anywhere outside the Bay Area. Effective January 20, 2021, Health Order C19-07r revised and replaced the previous Order; it continues to temporarily prohibit certain businesses and activities from resuming but allows certain other businesses, activities, travel and governmental functions to occur subject to specified health and safety restrictions, limitations, and conditions to limit the transmission of COVID-19. Quarantine and isolation requirements and recommendations upon moving to, traveling to, or returning to the County have not changed from the previous Order.

On March 24, 2021, the City and County of San Francisco announced it moved into the orange tier which removed the suggested Shelter in Place for guests travelling to San Francisco. This was a very positive step for the hotel community. This tier opens up activities in the city including expanded restaurant capacities, museums and attractions. For the hotel it allows for guests to gather in public spaces and for outlets and amenities to open up at limited capacities including fitness centers. It does not change the very stringent cleaning and sanitation requirements set forth by the Health Officer of the City and County of San Francisco which proves to be a costly measure to maintain. Effective May 6, 2021, the City and County of San Francisco moved into the yellow tier guidelines.

In response to the decrease in demand, we have since furloughed all managers at the Hotel except for members of the executive team and continue to limit hourly staff to a minimum. By the end of March 2020, we had temporarily closed all of our food and beverage outlets, valet parking, concierge and bell services, fitness center, as well as the executive lounge facility. We continue to implement social distancing standards and cleaning processes designed by Interstate and Hilton to keep employees and guests safe. The full impact and duration of the COVID-19 outbreak continues to evolve as of the date of this report. The pandemic effectively eliminated our ability to generate any profits, due to the drastic decline in both leisure and business travel. As a result, management believes the ongoing length and severity of the economic downturn caused by the pandemic will have a material adverse impact on our future business, financial condition, liquidity and financial results. We are also assessing the potential impact on the impairment analysis of our long-lived assets and the realization of our deferred tax assets. As of the date of this report, the effects of the pandemic continue to affect our economy, business and leisure travel, and our needs to continue to curtail certain revenue generating activities at the Hotel. We expect that the effects will have a material adverse effect on our business until the pandemic ends.

As a result of the CARES Act signed into law on March 27, 2020, additional avenues of relief may be available to workers and families through enhanced unemployment insurance provisions and to small businesses through programs administered by the Small Business Administration (“SBA”). The CARES Act includes, among other things, provisions relating to payroll tax credits and deferrals, net operating loss carryback periods, alternative minimum tax credits and technical corrections to tax depreciation methods for qualified improvement property. The CARES Act also established a Paycheck Protection Program (“PPP”), whereby certain small businesses are eligible for a loan to fund payroll expenses, rent, and related costs. On April 9, 2020, Justice entered into a loan agreement (“SBA Loan - Justice”) with CIBC Bank USA under the CARES Act. The Partnership received proceeds of \$4,719,000 from the SBA Loan - Justice. In accordance with the requirements of the CARES Act, Justice has used proceeds from the loan primarily for payroll costs. As of March 31, 2021, Justice had used all proceeds of the SBA Loan - Justice in qualified expenses. The SBA Loan - Justice is scheduled to mature on April 9, 2022 and has a 1.00% interest rate. On April 27, 2020, InterGroup entered into a loan agreement (“SBA Loan - InterGroup”) with CIBC Bank USA under the CARES Act and received loan proceeds in the amount of \$453,000. As of March 31, 2021, InterGroup had used all of the \$453,000 loan proceeds in qualified payroll expenses. The SBA Loan – InterGroup was scheduled to mature on April 27, 2022 and had a 1.00% interest rate. The SBA Loans are subject to the terms and conditions applicable to loans administered by the U.S. Small Business Administration under the CARES Act. If the SBA approves the forgiveness amount, all payments of principal and interest are deferred until the date the forgiveness amount is remitted by the SBA to CIBC. If the SBA does not forgive any amount of the loan, payments would start within 30 days. All unforgiven portion of the principal and accrued interest will be due at maturity. During the quarter ended December 31, 2020, Justice and InterGroup submitted applications for full loan forgiveness. As of March 31, 2021, the SBA has not forgiven the SBA Loan - Justice. As of March 31, 2021, the SBA has forgiven the full \$453,000 of the SBA Loan – InterGroup.

On February 3, 2021, Justice entered into a second loan agreement (“Second SBA Loan”) with CIBC Bank USA administered by the SBA. Justice received proceeds of \$2,000,000 from the Second SBA Loan. Justice will use proceeds from the Second SBA Loan primarily for payroll costs. The Second SBA Loan is scheduled to mature on February 3, 2026 and has a 1.00% interest rate and is subject to the terms and conditions applicable to loans administered by the U.S. Small Business Administration under the CARES Act. All payments of principal and interest are deferred until either: (a) if the SBA approves the forgiveness amount, the date the forgiveness amount is remitted by the SBA to CIBC; or (b) if Justice does not apply for forgiveness within 10 months after the last day of the covered period specified in the loan agreement or if the forgiveness amount is not approved, the date that is 10 months after the last day of the covered period. The loan may be forgiven if the funds are used for payroll and other qualified expenses. All unforgiven portion of the principal and accrued interest will be due at maturity. As of March 31, 2021, unused portion of the Second SBA Loan was \$350,000.

## **RESULTS OF OPERATIONS**

As of March 31, 2021, the Company owns approximately 71.3% of the common shares of Portsmouth Square, Inc. Historically, the Company’s principal source of revenue is derived from the investment of its subsidiary, Portsmouth, in the Justice Investors Limited Partnership (“Justice” or the “Partnership”) inclusive of hotel room revenue, food and beverage revenue, garage revenue, and revenue from other operating departments. Justice owns the Hotel and related facilities, including a five-level underground parking garage. The financial statements of Justice have been consolidated with those of the Company. However, the impact of the COVID-19 pandemic is highly uncertain and management expects that the ongoing length and severity of the economic downturn will have a material adverse impact on our business, financial condition, liquidity and financial results.

The Hotel is operated by the Partnership as a full-service Hilton brand hotel pursuant to a Franchise License Agreement (the “License Agreement”) with Hilton. The Partnership entered into the License Agreement on December 10, 2004. The term of the License Agreement was for an initial period of 15 years commencing on the opening date, with an option to extend the License Agreement for another five years, subject to certain conditions. On June 26, 2015, the Partnership and Hilton entered into an amended franchise agreement which extended the License Agreement through 2030, modified the monthly royalty rate, extended geographic protection to the Partnership and also provided the Partnership certain key money cash incentives to be earned through 2030. The key money cash incentives were received on July 1, 2015.

On February 1, 2017, Justice entered into an HMA with Interstate to manage the Hotel and related facilities with an effective takeover date of February 3, 2017. The term of HMA is for an initial period of ten years commencing on the takeover date and automatically renews for an additional year not to exceed five years in aggregate subject to certain conditions. The HMA also provides for Interstate to advance a key money incentive fee to the Hotel for capital improvements in the amount of \$2,000,000 under certain terms and conditions described in a separate key money agreement.

In addition to the operations of the Hotel, the Company also generates income from the ownership, management and, when appropriate, sale of real estate. Properties include fifteen apartment complexes, one commercial real estate property, and three single-family houses as strategic investments. The properties are located throughout the United States, but are concentrated in Texas and Southern California. The Company also has an investment in unimproved real property. All of the Company's residential and commercial rental operating properties are managed in-house.

The Company acquires its investments in real estate and other investments utilizing cash, securities or debt, subject to approval or guidelines of the Board of Directors. The Company also invests in income-producing instruments, equity and debt securities and will consider other investments if such investments offer growth or profit potential.

The change is primarily due to gains from marketable securities in the three months ended March 31, 2021, offset by the decrease in operating income from the Hotel.

### Hotel Operations

The Company had net loss from Hotel operations of \$3,259,000 for the three months ended March 31, 2021 compared to net loss of \$1,061,000 for the three months ended March 31, 2020. The change is primarily attributable to the decrease in Hotel revenue.

The year over year decline in all areas are result of the business interruption attributable to a variety of responses by federal, state, and local civil authority to the COVID-19 outbreak since March 2020. Total operating expenses decreased by \$6,070,000 due to decrease in salaries and wages, rooms commission, credit card fees, management fees, and franchise fees.

#### **Real Estate Operations**

Net income from real estate operations for the three months ended March 31, 2021 decreased by \$94,000 compared to the three months ended March 31, 2020 as a result of decrease in revenue. The decrease in revenue year over year is due to increased vacancy loss and bad debt expense as the pandemic has affected some tenants' ability to pay rent on time. All of the Company's properties are managed in-house. Management continues to review and analyze the Company's real estate operations to improve occupancy and rental rates and to reduce expenses and improve efficiencies.

Of the \$10,666,000 restricted cash held as of June 30, 2020, \$2,432,000 was for a possible future property improvement plan ("PIP") requested by our franchisor, Hilton. However, Hilton has confirmed that it will not require a PIP for our Hotel until relicensing which shall occur at the earlier of (i) January 2030, which is six years after the maturity date of our current senior and mezzanine loans, or (ii) upon the sale of our Hotel. On August 19, 2020, Lender released PIP deposits in the amount of \$2,379,000 to the Hotel. The funds were utilized to fund operating expenses, including franchise and management fees and other expenses.

On April 9, 2020, Justice entered into a loan agreement ("SBA Loan - Justice") with CIBC Bank USA under the recently enacted CARES Act administered by the U.S. Small Business Administration. The Partnership received proceeds of \$4,719,000 from the SBA Loan - Justice. In accordance with the requirements of the CARES Act, Justice has used proceeds from the loan primarily for payroll costs. On April 27, 2020, InterGroup entered into a loan agreement ("SBA Loan - InterGroup") with CIBC Bank USA under the CARES Act and received loan proceeds in the amount of \$453,000. As of March 31, 2021, InterGroup had used all of the \$453,000 loan proceeds in qualified payroll expenses. The SBA Loan - InterGroup was scheduled to mature on April 27, 2022 and had a 1.00% interest rate. The SBA Loans are subject to the terms and conditions applicable to loans administered by the U.S. Small Business Administration under the CARES Act. If the SBA approves the forgiveness amount, all payments of principal and interest are deferred until the date the forgiveness amount is remitted by the SBA to CIBC. If the SBA does not forgive any amount of the loan, payments would start within 30 days. All unforgiven portion of the principal and accrued interest will be due at maturity. During the quarter ended December 31, 2020, Justice and InterGroup submitted applications for full loan forgiveness. As of March 31, 2021, the SBA has not forgiven the SBA Loan - Justice. As of March 31, 2021, the SBA has forgiven the full \$453,000 of the SBA Loan - InterGroup.

On February 3, 2021, Justice entered into a second loan agreement (“Second SBA Loan”) with CIBC Bank USA administered by the SBA. Justice received proceeds of \$2,000,000 from the Second SBA Loan. All payments of principal and interest are deferred until either: (a) if the SBA approves the forgiveness amount, the date the forgiveness amount is remitted by the SBA to CIBC; or (b) if Justice does not apply for forgiveness within 10 months after the last day of the covered period specified in the loan agreement or if the forgiveness amount is not approved, the date that is 10 months after the last day of the covered period. The loan may be forgiven if the funds are used for payroll and other qualified expenses. All unforgiven portion of the principal and accrued interest will be due at maturity. As of March 31, 2021, unused portion of the Second SBA Loan was \$350,000.

In order to increase its liquidity position and to take advantage of the favorable interest rate environment, InterGroup refinanced its 151-unit apartment complex in Parsippany, New Jersey on April 30, 2020, generating net proceeds of \$6,814,000. In June 2020, InterGroup refinanced one of its California properties and generated net proceeds of \$1,144,000. During the nine months ended March 31, 2021, InterGroup completed refinancing on three of its California properties and generated net proceeds of \$5,384,000. InterGroup is currently evaluating other refinancing opportunities and it could refinance additional multifamily properties should the need arise, or should management consider the interest rate environment favorable. InterGroup has an uncollateralized \$8,000,000 revolving line of credit from CIBC Bank USA (“CIBC”) and the entire \$8,000,000 is available to be drawn down as of March 31, 2021 should additional liquidity be necessary. On August 28, 2020, Santa Fe sold its 27-unit apartment complex located in Santa Monica, California for \$15,650,000 and realized a gain on the sale of approximately \$12,043,000. Santa Fe will manage its federal and state income tax liability, and anticipates the utilization of its available net operating losses and capital loss carryforwards. Santa Fe received net proceeds of \$12,163,000 after selling costs and repayment of InterGroup’s RLOC of \$2,985,000 as InterGroup had drawn on its RLOC in July 2018 to pay off the previous Fannie Mae mortgage on the property. Furthermore, pursuant to the Contribution Agreement between Santa Fe and InterGroup, Santa Fe paid InterGroup \$662,000 from the sale.

As the sole general partner of Justice that controls approximately 97.5% of the voting interest in the Partnership, Portsmouth has the ability to amend the partnership agreement to allow for capital calls to the limited partners of Justice if needed. The majority of any capital calls will be met by Portsmouth. Portsmouth will have financing availability, upon the authorization of the respective board of directors, to borrow from InterGroup to meet any capital calls and its other obligations during the next twelve months and beyond. On August 28, 2020, the Board of InterGroup passed resolution to provide funding to Portsmouth if necessary. On December 16, 2020, Justice and InterGroup entered into a loan modification agreement which increased Justice’s borrowing from InterGroup as needed up to \$10,000,000. Since December 2020, InterGroup has advanced \$2,950,000 to Justice per the aforementioned loan modification agreement. The Partnership is also allowed to seek additional loans and sell partnership interests. Upon the consent of the general partner and a super majority in interest, the Partnership may sell additional classes or series of units of the Partnership under certain conditions in order to raise additional capital.

Our known short-term liquidity requirements primarily consist of funds necessary to pay for operating and other expenditures, including management and franchise fees, corporate expenses, payroll and related costs, taxes, interest and principal payments on our outstanding indebtedness, and repairs and maintenance of the Hotel.

Our long-term liquidity requirements primarily consist of funds necessary to pay for scheduled debt maturities and capital improvements of the Hotel and our real estate properties. We will continue to finance our business activities primarily with existing cash, including from the activities described above, and cash generated from our operations. After considering our approach to liquidity and accessing our available sources of cash, we believe that our cash position, after giving effect to the transactions discussed above, will be adequate to meet anticipated requirements for operating and other expenditures, including corporate expenses, payroll and related benefits, taxes and compliance costs and other commitments, for at least twelve months from the date of issuance of these financial statements, even if current levels of low occupancy and low revenue per available room (“RevPAR”) were to persist. The objectives of our cash management policy are to maintain existing leverage levels and the availability of liquidity, while minimizing operational costs. We believe that our cash on hand, along with other potential aforementioned sources of liquidity that management may be able to obtain, will be sufficient to fund our working capital needs, as well as our capital lease and debt obligations for at least the next twelve months and beyond. However, there can be no guarantee that management will be successful with its plan.

## OFF-BALANCE SHEET ARRANGEMENTS

## IMPACT OF INFLATION

Hotel room rates are typically impacted by supply and demand factors, not inflation, since rental of a hotel room is usually for a limited number of nights. Room rates can be, and usually are, adjusted to account for inflationary cost increases. Since Interstate has the power and ability to adjust hotel room rates on an ongoing basis, there should be minimal impact on partnership revenues due to inflation. Partnership revenues are also subject to interest rate risks, which may be influenced by inflation. For the two most recent fiscal years, the impact of inflation on the Company's income is not viewed by management as material.

The Company's residential rental properties provide income from short-term operating leases and no lease extends beyond one year. Rental increases are expected to offset anticipated increased property operating expenses.

## CRITICAL ACCOUNTING POLICIES AND USE OF ESTIMATES

Critical accounting policies are those that are most significant to the presentation of our financial position and results of operations and require judgments by management in order to make estimates about the effect of matters that are inherently uncertain. The preparation of these condensed financial statements requires us to make estimates and judgments that affect the reported amounts in our consolidated financial statements. We evaluate our estimates on an on-going basis, including those related to the consolidation of our subsidiaries, to our revenues, allowances for bad debts, accruals, asset impairments, other investments, income taxes and commitments and contingencies. We base our estimates on historical experience and on various other assumptions that we believe to be reasonable under the circumstances, the results of which form the basis for making judgments about the carrying values of assets and liabilities. The actual results may differ from these estimates or our estimates may be affected by different assumptions or conditions. There have been no material changes to the Company's critical accounting policies during the nine months ended March 31, 2021. Please refer to the Company's Annual Report on Form 10-K for the year ended June 30, 2020 for a summary of the critical accounting policies.
