#### PORTSMOUTH SQUARE, INC. NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

#### NOTE 1 – BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

The condensed consolidated financial statements included herein have been prepared by Portsmouth Square, Inc. ("Portsmouth" or the "Company"), without audit, according to the rules and regulations of the Securities and Exchange Commission. Certain information and footnote disclosures normally included in the condensed consolidated financial statements prepared in accordance with generally accepted accounting principles (U.S. GAAP) have been condensed or omitted pursuant to such rules and regulations, although the Company believes the disclosures that are made are adequate to make the information presented not misleading. Further, the condensed consolidated financial statements reflect, in the opinion of management, all adjustments (which included only normal recurring adjustments) necessary for a fair statement of the financial position, cash flows and results of operations as of and for the periods indicated. It is suggested that these financial statements be read in conjunction with the audited financial statements of Portsmouth and the notes therein included in the Company's Annual Report on Form 10-K for the year ended June 30, 2021. The June 30, 2021 condensed consolidated balance sheet was derived from the consolidated balance sheet as included in the Company's Form 10-K for the year ended June 30, 2021.

The results of operations for the six months ended December 31, 2021 are not necessarily indicative of results to be expected for the full fiscal year ending June 30, 2022.

Portsmouth's primary business was conducted through its general and limited partnership interest in Justice Investors Limited Partnership, a California limited partnership ("Justice" or the "Partnership"). Effective July 15, 2021, Portsmouth completed the purchase of 100% of the limited partnership interest of Justice. Effective December 23, 2021, the partnership was dissolved. The financial statements of Justice were consolidated with those of the Company.

Prior to its dissolution effective December 23, 2021, Justice owned and operated a 544-room hotel property located at 750 Kearny Street, San Francisco California, known as the Hilton San Francisco Financial District (the "Hotel") and related facilities including a five-level underground parking garage through its subsidiaries Justice Operating Company, LLC ("Operating") and Justice Mezzanine Company, LLC ("Mezzanine"). Mezzanine was a wholly owned subsidiary of the Partnership; Operating is a wholly owned subsidiary of Mezzanine. Effective December 23, 2021, Portsmouth replaced Justice as the single member of Mezzanine. Mezzanine is the borrower under certain mezzanine indebtedness of Justice, and in December 2013, the Partnership conveyed ownership of the Hotel to Operating. The Hotel is a full-service Hilton brand hotel pursuant to a Franchise License Agreement with HLT Franchise Holding LLC ("Hilton") through January 31, 2030.

Operating entered into a Hotel management agreement ("HMA") with Aimbridge Hospitality ("Aimbridge") to manage the Hotel, along with its five-level parking garage, with an effective date of February 3, 2017. The term of the management agreement is for an initial period of ten years commencing on the February 3, 2017 date and automatically renews for successive one (1) year periods, to not exceed five years in the aggregate, subject to certain conditions. Under the terms on the HMA, base management fee payable to Aimbridge shall be one and seven-tenths percent (1.70%) of total Hotel revenue.

As of December 31, 2021, The InterGroup Corporation ("InterGroup"), a public company, owns approximately 75.0% of the outstanding common shares of Portsmouth. As of December 31, 2021, the Company's Chairman of the Board and Chief Executive Officer, John V. Winfield, owns approximately 2.5% of the outstanding common shares of the Company. Mr. Winfield also serves as the President, Chairman of the Board and Chief Executive Officer of InterGroup and owns approximately 68.1% of the outstanding common shares of InterGroup as of December 31, 2021.

There have been no material changes to the Company's significant accounting policies during the six months ended December 31, 2021. Please refer to the Company's Annual Report on Form 10-K for the year ended June 30, 2021 for a summary of the significant accounting policies. Certain prior year amounts have been reclassified for consistency with the current period presentation on the condensed consolidated balance sheet. Other investment, net of \$20,000 as of June 30, 2021 was reclassed to Other asset, net. Finance leases of \$664,000 as of June 30, 2021 was reclassed to Accounts payable and other liabilities – Justice of \$7,440,000 as of June 30, 2021 was reclassed to Accounts payable and other liabilities. Related party notes payable of \$10,738,000 as of June 30, 2021 is presented separately as \$6,650,000 Related party note payable – InterGroup and \$4,088,000 Related party notes payable. These reclassifications had no effect on the reported results of operations and financial position.

#### NOTE 2 - LIQUIDITY

Historically, our cash flows have been primarily generated from our Hotel operations. However, the responses by federal, state, and local civil authorities to the COVID-19 pandemic has had a material detrimental impact on our liquidity. For the six months ended December 31, 2021 and 2020, our net cash flow used in operations was \$3,583,000 and \$8,560,000, respectively. We have taken several steps to preserve capital and increase liquidity at our Hotel, including implementing strict cost management measures to eliminate non-essential expenses, postponing major capital expenditures, renegotiating certain reoccurring expenses, and temporarily closing certain hotel services and outlets.

The Company had cash and cash equivalents of \$288,000 and \$2,310,000 as of December 31, 2021 and June 30, 2021, respectively. The Company had marketable securities, net of margin due to securities brokers, of \$789,000 and \$1,821,000 as of December 31, 2021 and June 30, 2021, respectively. These marketable securities are short-term investments and liquid in nature.

On December 16, 2020, Justice and InterGroup entered into a loan modification agreement which increased Justice's borrowing from InterGroup as needed up to \$10,000,000 and extended the maturity date of the loan to July 31, 2021. On July 7, 2021, the maturity date was extended to July 31, 2022. Upon the dissolution of Justice in December 2021, Portsmouth assumed Justice's note payable to InterGroup in the amount of \$11,350,000. On December 31, 2021, Portsmouth and InterGroup entered into a loan modification agreement which increased Portsmouth's borrowing from InterGroup as needed up to \$16,000,000. During the six months ending December 31, 2021, InterGroup advanced \$4,700,000 to the Hotel, bringing the total amount due to InterGroup to \$11,350,000 as of December 31, 2021. The Company could amend its by-laws and increase the number of authorized shares to issue additional shares to raise capital in the public markets if needed.

On April 9, 2020, Justice entered into a loan agreement ("SBA Loan") with CIBC Bank USA under the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") administered by the U.S. Small Business Administration (the "SBA"). Justice received proceeds of \$4,719,000 from the SBA Loan. In accordance with the requirements of the CARES Act, Justice used the proceeds from the SBA Loan for payroll costs and other qualified expenses. The SBA Loan was scheduled to mature on April 9, 2022 with a 1.00% interest rate and is subject to the terms and conditions applicable to loans administered by the U.S. Small Business Administration under the CARES Act. On June 10, 2021, the SBA Loan was forgiven in full.

On February 3, 2021, Justice entered into a second loan agreement ("Second SBA Loan") with CIBC Bank USA administered by the SBA. Justice received proceeds of \$2,000,000 from the Second SBA Loan. As of June 30, 2021, Justice had used all proceeds from the Second SBA Loan primarily for payroll costs. The Second SBA Loan was scheduled to mature on February 3, 2026, had a 1.00% interest rate, and is subject to the terms and conditions applicable to loans administered by the U.S. Small Business Administration under the CARES Act. On November 19, 2021, the Second SBA Loan was forgiven in full and \$2,000,000 was recorded as gain on debt extinguishment on the condensed consolidated statement of operations for the six months ended December 31, 2021.

Our known short-term liquidity requirements primarily consist of funds necessary to pay for operating and other expenditures, including management and franchise fees, corporate expenses, payroll and related costs, taxes, interest and principal payments on our outstanding indebtedness, and repairs and maintenance of the Hotel.

- 9 -

Our long-term liquidity requirements primarily consist of funds necessary to pay for scheduled debt maturities and capital improvements of the Hotel. We will continue to finance our business activities primarily with existing cash, including from the activities described above, and cash generated from our operations. After considering our approach to liquidity and accessing our available sources of cash, we believe that our cash position, after giving effect to the transactions discussed above, will be adequate to meet anticipated requirements for operating and other expenditures, including corporate expenses, payroll and related benefits, taxes and compliance costs and other commitments, for at least twelve months from the date of issuance of these financial statements, even if current levels of occupancy and RevPAR were to persist. The objectives of our cash management policy are to maintain existing leverage levels and the availability of liquidity, while minimizing operational costs. We believe that our cash on hand, along with other potential aforementioned sources of liquidity that management may be able to obtain, will be sufficient to fund our working capital needs, as well as our capital lease and debt obligations for at least the next twelve months and beyond. However, there can be no guarantee that management will be successful with its plan.

The following table provides a summary as of December 31, 2021, the Company's material financial obligations which also including interest payments:

#### Performance obligations

We identified the following performance obligations for which revenue is recognized as the respective performance obligations are satisfied, which results in recognizing the amount we expect to be entitled to for providing the goods or services:

- *Cancelable room reservations or ancillary services* are typically satisfied as the good or service is transferred to the hotel guest, which is generally when the room stay occurs.
- Noncancelable room reservations and banquet or conference reservations represent a series of distinct goods or services provided over time and satisfied as each distinct good or service is provided, which is reflected by the duration of the room reservation.

- Other ancillary goods and services are purchased independently of the room reservation at standalone selling prices and are considered separate performance obligations, which are satisfied when the related good or service is provided to the hotel guest.
- *Components of package reservations* for which each component could be sold separately to other hotel guests are considered separate performance obligations and are satisfied as set forth above.

Hotel revenue primarily consists of hotel room rentals, revenue from accommodations sold in conjunction with other services (e.g., package reservations), food and beverage sales and other ancillary goods and services (e.g., parking). Revenue is recognized when rooms are occupied or goods and services have been delivered or rendered, respectively. Payment terms typically align with when the goods and services are provided. For package reservations, the transaction price is allocated to the performance obligations within the package based on the estimated standalone selling prices of each component.

We do not disclose the value of unsatisfied performance obligations for contracts with an expected length of one year or less. Due to the nature of our business, our revenue is not significantly impacted by refunds. Cash payments received in advance of guests staying at our hotel are refunded to hotel guests if the guest cancels within the specified time period, before any services are rendered. Refunds related to service are generally recognized as an adjustment to the transaction price at the time the hotel stay occurs or services are rendered.

#### Contract assets and liabilities

We do not have any material contract assets as of December 31, 2021 and June 30, 2021, other than trade and other receivables, net on our condensed consolidated balance sheets. Our receivables are primarily the result of contracts with customers, which are reduced by an allowance for doubtful accounts that reflects our estimate of amounts that will not be collected. Based on historical trends, the Hotel applies a 50% rate of default to receivables between 90 and 120 days and a 100% rate of default to receivables over 120 days.

We record contract liabilities when cash payments are received or due in advance of guests staying at our hotel, which are presented within accounts payable and other liabilities on our condensed consolidated balance sheets. Contract liabilities increased to \$445,000 as of December 31, 2021, from \$161,000 as of June 30, 2021. The increase for the six months ended December 31, 2021 was primarily driven by \$284,000 of advance deposits received for future reservations.

#### Contract costs

We consider sales commissions earned to be incremental costs of obtaining a contract with our customers. As a practical expedient, we expense these costs as incurred as our contracts with customers are less than one year.

#### NOTE 5 - INVESTMENT IN MARKETABLE SECURITIES, NET

The Company's investment in marketable securities consists primarily of corporate equities. The Company has also periodically invested in income producing securities, which may include interests in real estate-based companies and REITs, where financial benefit could transfer to its shareholders through income and/or capital gain.

## NOTE 6 - FAIR VALUE MEASUREMENTS

The carrying values of the Company's financial instruments not required to be carried at fair value on a recurring basis approximate fair value due to their short maturities (i.e., accounts receivable, other assets, accounts payable and other liabilities) or the nature and terms of the obligation (i.e., other notes payable and mortgage notes payable). The assets measured at fair value on a recurring basis are as follows:

As of		December 31, 2021		
	Tota	l - Level 1	То	tal - Level 1
Assets:				
Investment in marketable securities:				
Communication services	\$	995,000	\$	1,334,000

The fair values of investments in marketable securities are determined by the most recently traded price of each security at the balance sheet date.

Financial assets that are measured at fair value on a non-recurring basis and are not included in the tables above include "Other investments, net (non-marketable securities)," that were initially measured at cost and have been written down to fair value as a result of impairment. The following table shows the fair value hierarchy for these assets measured at fair value on a non-recurring basis as follows:

Other non-marketable investments	\$ 20,00	0 \$	20,000	\$	(23,000)

For the six months ended December 31, 2021 and 2020, we received distribution from other non-marketable investments of zero and \$29,000, respectively.

Other investments in non-marketable securities are carried at cost net of any impairment loss. The Company has no significant influence or control over the entities that issue these investments and holds less than 20% ownership in each of the investments. These investments are reviewed on a periodic basis for other-than-temporary impairment. The Company reviews several factors to determine whether a loss is other-than-temporary. These factors include but are not limited to: (i) the length of time an investment is in an unrealized loss position, (ii) the extent to which fair value is less than cost, (iii) the financial condition and near-term prospects of the issuer and (iv) our ability to hold the investment for a period of time sufficient to allow for any anticipated recovery in fair value.

On July 2, 2014, the Partnership obtained from InterGroup an unsecured loan in the principal amount of \$4,250,000 at 12% per year fixed interest, with a term of 2 years, payable interest only each month. InterGroup received a 3% loan fee. The loan may be prepaid at any time without penalty. The loan was extended to July 31, 2022. On December 16, 2020, Justice and InterGroup entered into a loan modification agreement which increased Justice's borrowing from InterGroup as needed up to \$10,000,000. Upon the dissolution of Justice in December 2021, Portsmouth assumed Justice's note payable to InterGroup in the amount of \$11,350,000. On December 31, 2021, Portsmouth and InterGroup entered into a loan modification agreement which increased Portsmouth's borrowing from InterGroup as needed up to \$16,000,000. As of December 31, 2021, and June 30, 2021, the balance of the loan was \$11,350,000 and \$6,650,000, net of loan amortization costs of \$25,000 and zero, respectively.

Note payable to Hilton (Franchisor) is a self-exhausting, interest free development incentive note which is reduced by approximately \$316,000 annually through 2030 by Hilton if the Partnership is still a Franchisee with Hilton.

On February 1, 2017, Operating entered into an HMA with Ambridge to manage the Hotel with an effective takeover date of February 3, 2017. The term of the management agreement is for an initial period of 10 years commencing on the takeover date and automatically renews for an additional year not to exceed five years in aggregate subject to certain conditions. The HMA also provides for Ambridge to advance a key money incentive fee to the Hotel for capital improvements in the amount of \$2,000,000 under certain terms and conditions described in a separate key money agreement. The key money contribution shall be amortized in equal monthly amounts over an eight (8) year period commencing on the second anniversary of the takeover date. During the first quarter of fiscal year 2021, the Hotel obtained approval from Ambridge to use the key money for hotel operations and the funds were exhausted by December 31, 2020. Unamortized portion of the key money is included in the related party notes payable in the condensed consolidated balance sheets.

On February 3, 2021, Justice entered into a second loan agreement ("Second SBA Loan") with CIBC Bank USA administered by the SBA. Justice received proceeds of \$2,000,000 from the Second SBA Loan. As of June 30, 2021, Justice had used all proceeds from the Second SBA Loan primarily for payroll costs. The Second SBA Loan was scheduled to mature on February 3, 2026, had a 1.00% interest rate, and was subject to the terms and conditions applicable to loans administered by the U.S. Small Business Administration under the CARES Act. On November 19, 2021, the Second SBA Loan was forgiven in full and \$2,000,000 was recorded as gain on debt extinguishment on the condensed consolidated statement of operations for the six months ended December 31, 2021.

As of December 31, 2021, and June 30, 2021, the Company had accounts payable to related party of \$3,748,000 and \$3,193,000, respectively. These are amounts due to InterGroup and represent certain shared costs and expenses, primarily general and administrative expenses, rent, insurance and other expenses.

To fund the redemption of limited partnership interests and to repay the prior mortgage of \$42,940,000, Justice obtained a \$97,000,000 mortgage loan and a \$20,000,000 mezzanine loan in December 2013. The mortgage loan is secured by the Company's principal asset, the Hotel. The mortgage loan bears an interest rate of 5.275% per annum with interest only payments due through January 2017. Beginning in February 2017, the loan began to amortize over a thirty-year period through its maturity date of January 2024. Outstanding principal balance on the loan was \$89,818,000 and \$90,745,000 as of December 31, 2021 and June 30, 2021, respectively. As additional security for the mortgage loan, there is a limited guaranty executed by Portsmouth in favor of the mortgage lender. The mezzanine loan is secured by the Operating membership interest held by Mezzanine and is subordinated to the Mortgage Loan. The mezzanine interest only loan had an interest rate of 9.75% per annum and a maturity date of January 1, 2024. As additional security for the mezzanine loan, there is a limited guaranty executed by Portsmouth in favor of the mezzanine loan agreement ("New Mezzanine Loan Agreement") with Cred Reit Holdco LLC in the amount of \$20,000,000. The prior Mezzanine Loan which had a 9.75% per annum interest rate on the new mezzanine loan is 7.25% and the loan matures on January 1, 2024. Interest only payments are due monthly.

Effective May 11, 2017, InterGroup agreed to become an additional guarantor under the limited guaranty and an additional indemnitor under the environmental indemnity for Justice Investors limited partnership's \$97,000,000 mortgage loan and the \$20,000,000 mezzanine loan. Pursuant to the agreement, InterGroup is required to maintain certain net worth and liquidity. As of December 31, 2021, InterGroup is in compliance with both requirements. However, due to the Hotel's current low occupancy and its negative impact on the Hotel's cash flow, Justice Operating Company, LLC have not been meeting certain of its loan covenants such as the Debt Service Coverage Ratio ("DSCR") which would trigger the creation of a lock-box by the Lender for all cash collected by the Hotel. However, such lockbox has been created and utilized from the loan inception and will be in place up to loan maturity regardless of the DSCR.

The Company's Board of Directors is currently comprised of directors John V. Winfield, William J. Nance, John C. Love, Jerold R. Babin, and Steve Grunwald. All of the Company's directors also serve as directors of InterGroup except for Mr. Grunwald. The Company's director and Chairman of the Audit Committee, William J. Nance, serves as Comstock's director and Chairman of the Audit and Finance, Compensation and Nominating and Governance Committees of Comstock.

John V. Winfield serves as Chief Executive Officer and Chairman of the Company and InterGroup. Effective June 2016, Mr. Winfield became the Managing Director of Justice. Depending on certain market conditions and various risk factors, the Chief Executive Officer and InterGroup may, at times, invest in the same companies in which the Company invests. The Company encourages such investments because it places personal resources of the Chief Executive Officer and the resources of InterGroup, at risk in connection with investment decisions made on behalf of the Company.

#### NEGATIVE EFFECTS OF CIVIL AUTHORITY ACTIONS ON OUR BUSINESS

On February 25, 2020, the City of San Francisco issued the proclamation by the Mayor declaring the existence of a local emergency. The negative effects of the civil authority actions related to the novel strain of coronavirus ("COVID-19") on our business have been significant. In March 2020, the World Health Organization declared COVID-19 a global pandemic. This contagious virus, which has continued to spread, has adversely affected workforces, customers, economies and financial markets globally. It has also disrupted the normal operations of many businesses, including ours. To mitigate the harm from the pandemic, on March 16, 2020, the City and County of San Francisco, along with a group of five other Bay Area counties and the City of Berkeley, issued parallel health officer orders imposing shelter in place limitations across the Bay Area, requiring everyone to stay safe at home except for certain essential needs. Since February 2020, several unfavorable events and civil authority actions have unfolded causing demand for our hotel rooms to suffer including cancellations of all citywide conventions, reduction of flights in and out of the Bay Area and decline in both leisure and business travel.

In December 2020, due to the surge in COVID-19 cases and hospitalizations, the Health Officer of the City and County of San Francisco has suspended or restricted certain activities. Health Order C19-07q (the "Order") incorporates suspensions, reductions in capacity limits, and other restrictions contained in the Regional Stay At Home Order issued by the California Department of Public Health on December 3, 2020. Effective December 17, 2020, the Bay Area Region, including San Francisco, is required to comply with the State's December 3, 2020 Regional Stay-at-Home Order. The Order strongly discourages anyone in the County from travelling for leisure, recreation, business or other purposes that can be postponed until after the current surge. With limited exceptions, this Order imposed a mandatory quarantine on anyone traveling, moving, or returning to the County from anywhere outside the Bay Area. Effective January 20, 2021, Health Order C19-07r revised and replaced the previous Order; it continues to temporarily prohibit certain businesses and activities from resuming but allows certain other businesses, activities, travel and governmental functions to occur subject to specified health and safety restrictions, limitations, and conditions to limit the transmission of COVID-19. Quarantine and isolation requirements and recommendations upon moving to, traveling to, or returning to the County have not changed from the previous Order.

On March 24, 2021, the City and County of San Francisco announced it moved into the orange tier which removed the suggested Shelter in Place for guests travelling to San Francisco. This was a very positive step for the hotel community. This tier opens activities in the city including expanded restaurant capacities, museums and attractions. For the hotel it allows for guests to gather in public spaces and for outlets and amenities to open at limited capacities including fitness centers. It does not change the very stringent cleaning and sanitation requirements set forth by the Health Officer of the City and County of San Francisco which proves to be a costly measure to maintain. Effective May 6, 2021, the City and County of San Francisco moved into the yellow tier guidelines. We continue to closely monitor the very fluid changes that the Center for Disease Control, San Francisco Department of Health and other authorities implement with regards to the COVID-19 pandemic.

On August 20, 2021, San Francisco announced vaccination requirements for indoor activities. This order requires restaurants, theaters, and entertainment venues where food or drink is served inside, as well as gyms, recreation facilities, yoga studios, dance studios and other fitness establishments, clubs involving elevated breathing to show proof of vaccination.

On January 11, 2022, a new Health Order has been issued. The primary change to the Order is to comply with changes the state made lowering the threshold for mega events to 500 attendees indoor and 5,000 attendees outdoor beginning January 15, 2022. This will have significant impact on the demand for major event drivers, primarily citywide events that many attendees will not be able to attend due to vaccination status along with the organizers cancelling events based on decreased anticipated attendance because of these regulations.

The San Francisco hospitality market has seen the two largest citywide events go virtual with DreamForce in September 2021 and JP Morgan Healthcare Conference in January 2022. RSA Conference originally scheduled for February 2022 was moved to June 2022 and Google Could Next was cancelled for 2022. We expect to continue to see cancellation of citywide events throughout the year.

In response to the decrease in demand, we have since furloughed all managers at the Hotel except for members of the executive team and continue to limit hourly staff to a minimum. By the end of March 2020, we had temporarily closed all our food and beverage outlets, valet parking, concierge and bell services, fitness center, as well as the executive lounge facility. We continue to implement social distancing standards and cleaning processes designed by Aimbridge and Hilton to keep employees and guests safe. The full impact and duration of the COVID-19 outbreak continues to evolve as of the date of this report. The pandemic effectively eliminated our ability to generate any profits, due to the drastic decline in both leisure and business travel. As a result, management believes the ongoing length and severity of the economic downturn caused by the pandemic will have a material adverse impact on our future business, financial condition, liquidity and financial results. We are also assessing the potential impact on the impairment analysis of our long-lived assets and the realization of our deferred tax assets. As of the date of this report, the effects of the pandemic continue to affect our economy, business and leisure travel, and our needs to continue to curtail certain revenue generating activities at the Hotel. We expect that the effects will have a material adverse effect on our business until the pandemic ends.

As a result of the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") signed into law on March 27, 2020, additional avenues of relief may be available to workers and families through enhanced unemployment insurance provisions and to small businesses through programs administered by the Small Business Administration ("SBA"). The CARES Act includes, among other things, provisions relating to payroll tax credits and deferrals, net operating loss carryback periods, alternative minimum tax credits and technical corrections to tax depreciation methods for qualified improvement property. The CARES Act also established a Paycheck Protection Program ("PPP"), whereby certain small businesses are eligible for a loan to fund payroll expenses, rent, and related costs. On April 9, 2020, Justice entered into a loan agreement ("SBA Loan") with CIBC Bank USA under the CARES Act. Justice received proceeds of \$4,719,000 from the SBA Loan. In accordance with the requirements of the CARES Act, Justice used proceeds from the SBA Loan for payroll costs and other qualified expenses. The SBA Loan was scheduled to mature on April 9, 2022 with a 1.00% interest rate and is subject to the terms and conditions applicable to loans administered by the U.S. Small Business Administration under the CARES Act. On June 10, 2021, the SBA Loan was forgiven in full.

On February 3, 2021, Justice entered into a second loan agreement ("Second SBA Loan") with CIBC Bank USA administered by the SBA. Justice received proceeds of \$2,000,000 from the Second SBA Loan. As of June 30, 2021, Justice had used all proceeds from the Second SBA Loan primarily for payroll costs. The Second SBA Loan was scheduled to mature on February 3, 2026, had a 1.00% interest rate, and is subject to the terms and conditions applicable to loans administered by the U.S. Small Business Administration under the CARES Act. On November 19, 2021, the Second SBA Loan was forgiven in full and \$2,000,000 was recorded as gain on debt extinguishment on the condensed consolidated statement of operations for the six months ended December 31, 2021.

#### **RESULTS OF OPERATIONS**

The Company's principal source of revenue continues to be derived from its ownership in Justice Operating Company, LLC ("Operating") inclusive of hotel room revenue, food and beverage revenue, garage revenue, and revenue from other operating departments. Operating owns the Hotel and related facilities, including a five-level underground parking garage. The financial statements of Operating have been consolidated with those of the Company.

The Hotel is a full-service Hilton brand hotel pursuant to a Franchise License Agreement (the "License Agreement") with Hilton. The Partnership entered into the License Agreement on December 10, 2004. The term of the License Agreement was for an initial period of 15 years commencing on the opening date, with an option to extend the License Agreement for another five years, subject to certain conditions. On June 26, 2015, the Partnership and Hilton entered into an amended franchise agreement which extended the License Agreement through 2030, modified the monthly royalty rate, extended geographic protection to the Partnership and also provided the Partnership certain key money cash incentives to be earned through 2030. The key money cash incentives were received on July 1, 2015.

Operating entered into a Hotel management agreement ("HMA") with Aimbridge Hospitality ("Aimbridge") to manage the Hotel, along with its five-level parking garage, with an effective date of February 3, 2017. The term of the management agreement is for an initial period of ten years commencing on the February 3, 2017 date and automatically renews for successive one (1) year periods, to not exceed five years in the aggregate, subject to certain conditions. Under the terms on the HMA, base management fee payable to Aimbridge shall be one and seven-tenths percent (1.70%) of total Hotel revenue.

Our long-term liquidity requirements primarily consist of funds necessary to pay for scheduled debt maturities and capital improvements of the Hotel. We will continue to finance our business activities primarily with existing cash, including from the activities described above, and cash generated from our operations. After considering our approach to liquidity and accessing our available sources of cash, we believe that our cash position, after giving effect to the transactions discussed above, will be adequate to meet anticipated requirements for operating and other expenditures, including corporate expenses, payroll and related benefits, taxes and compliance costs and other commitments, for at least twelve months from the date of issuance of these financial statements, even if current levels of occupancy and RevPAR were to persist. The objectives of our cash management policy are to maintain existing leverage levels and the availability of liquidity, while minimizing operational costs. We believe that our cash on hand, along with other potential aforementioned sources of liquidity that management may be able to obtain, will be sufficient to fund our working capital needs, as well as our capital lease and debt obligations for at least the next twelve months and beyond. However, there can be no guarantee that management will be successful with its plan.

#### **OFF-BALANCE SHEET ARRANGEMENTS**

The Company has no material off balance sheet arrangements.

#### **IMPACT OF INFLATION**

Hotel room rates are typically impacted by supply and demand factors, not inflation, since rental of a hotel room is usually for a limited number of nights. Room rates can be, and usually are, adjusted to account for inflationary cost increases. Since Aimbridge has the power and ability to adjust hotel room rates on an ongoing basis, there should be minimal impact on partnership revenues due to inflation. Partnership revenues are also subject to interest rate risks, which may be influenced by inflation. For the two most recent fiscal years, the impact of inflation on the Company's income is not viewed by management as material.

#### CRITICAL ACCOUNTING POLICIES AND USE OF ESTIMATES

Critical accounting policies are those that are most significant to the presentation of our financial position and results of operations and require judgments by management in order to make estimates about the effect of matters that are inherently uncertain. The preparation of these condensed financial statements requires us to make estimates and judgments that affect the reported amounts in our consolidated financial statements. We evaluate our estimates on an on-going basis, including those related to the consolidation of our subsidiaries, to our revenues, allowances for bad debts, accruals, asset impairments, other investments, income taxes and commitments and contingencies. We base our estimates on historical experience and on various other assumptions that we believe to be reasonable under the circumstances, the results of which form the basis for making judgments about the carrying values of assets and liabilities. The actual results may differ from these estimates or our estimates may be affected by different assumptions or conditions. There have been no material changes to the Company's critical accounting policies during the six months ended December 31, 2021. Please refer to the Company's Annual Report on Form 10-K for the year ended June 30, 2021 for a summary of the critical accounting policies.
