**SANTA FE FINANCIAL CORPORATION**  
**NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**  
**(UNAUDITED)**

**NOTE 1 – BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES**

The condensed consolidated financial statements included herein have been prepared by Santa Fe Financial Corporation (“Santa Fe” or the “Company”), without audit, according to the rules and regulations of the Securities and Exchange Commission. Certain information and footnote disclosures normally included in the condensed consolidated financial statements prepared in accordance with generally accepted accounting principles (U.S. GAAP) have been condensed or omitted pursuant to such rules and regulations, although the Company believes the disclosures that are made are adequate to make the information presented not misleading. Further, the condensed consolidated financial statements reflect, in the opinion of management, all adjustments (which included only normal recurring adjustments) necessary for a fair statement of the financial position, cash flows and results of operations as of and for the periods indicated. It is suggested that these financial statements be read in conjunction with the audited financial statements of Santa Fe and the notes therein included in the Company’s Annual Report on Form 10-K for the year ended June 30, 2020. The September 30, 2020 Condensed Consolidated Balance Sheet was derived from the Consolidated Balance Sheet as included in the Company’s Form 10-K for the year ended June 30, 2020.

The results of operations for the three months ended September 30, 2020 are not necessarily indicative of results to be expected for the full fiscal year ending June 30, 2021.

As of September 30, 2020, approximately 83.7% of the outstanding common stock of Santa Fe was owned by The InterGroup Corporation (“InterGroup”), a public company (NASDAQ: INTG). As of September 30, 2020, InterGroup also has the power to vote an approximately 3.7% interest in the common stock in Santa Fe owned by its Chairman and CEO, John V. Winfield, pursuant to a voting trust agreement entered into on June 30, 1998. Mr. Winfield, Chairman of the Board of both Santa Fe and InterGroup, is a control person of both entities. As of September 30, 2020, Santa Fe owned approximately 68.8% of the outstanding common stock of Portsmouth Square, Inc. (“Portsmouth”), a public company (OTC Market Inc.’s Pink: PRSI). InterGroup also directly owns approximately 13.7% of the common stock of Portsmouth.

The Company’s principal source of operating revenue has been, and continues to be, derived from the management of its 68.8% owned subsidiary, Portsmouth. Portsmouth’s primary business is conducted through its general and limited partnership interest in Justice Investors Limited Partnership (“Justice” or the “Partnership”), a California limited partnership. Portsmouth controls approximately 93.3% of the voting interest in Justice and is the sole general partner of Justice. The financial statements of Justice are consolidated with those of the Company.

Justice, through its subsidiaries Justice Operating Company, LLC (“Operating”) and Justice Mezzanine Company, LLC (“Mezzanine”) owns and operates a 544-room hotel property located at 750 Kearny Street, San Francisco California, known as the Hilton San Francisco Financial District (the “Hotel”) and related facilities including a five-level underground parking garage. Mezzanine is a wholly owned subsidiary of the Partnership; Operating is a wholly owned subsidiary of Mezzanine. Mezzanine is the borrower under certain mezzanine indebtedness of Justice, and in December 2013, the Partnership conveyed ownership of the Hotel to Operating. The Hotel is operated by the partnership as a full-service Hilton brand hotel pursuant to a Franchise License Agreement with HLT Franchise Holding LLC (“Hilton”) through January 31, 2030.

Justice entered into a Hotel management agreement (“HMA”) with Interstate Management Company, LLC (“Interstate”) to manage the Hotel, along with its five-level parking garage, with an effective takeover date of February 3, 2017. The term of the management agreement is for an initial period of ten years commencing on the takeover date and automatically renews for successive one (1) year periods, to not exceed five years in the aggregate, subject to certain conditions. Under the terms of the HMA, base management fee payable to Interstate shall be one and seven-tenths percent (1.70%) of total Hotel revenue. On October 25, 2019, Interstate merged with Aimbridge Hospitality, North America’s largest independent hotel management firm. With the completion of the merger, the newly combined company will be positioned under the Aimbridge Hospitality name in the Americas.

The Company owns a 2-unit apartment complex located in West Los Angeles, California through its wholly owned subsidiary 614 Acanto Properties, Inc. (“Acanto”).

The Company also derives income from the investment of its cash and investment securities assets. The Company has invested in income-producing instruments, equity and debt securities. See Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations for a discussion of the Company's marketable securities and other investments.

### **Due to Securities Broker**

Various securities brokers have advanced funds to the Company for the purchase of marketable securities under standard margin agreements. These advanced funds are recorded as a liability.

### **Obligations for Securities Sold**

Obligation for securities sold represents the fair market value of shares sold with the promise to deliver that security at some future date and the fair market value of shares underlying the written call options with the obligation to deliver that security when and if the option is exercised. The obligation may be satisfied with current holdings of the same security or by subsequent purchases of that security. Unrealized gains and losses from changes in the obligation are included in the condensed consolidated statements of operations.

### **Income Tax**

The Company consolidates Justice ("Hotel") for financial reporting purposes and is not taxed on its non-controlling interest in the Hotel. The income tax expense during the three months ended September 30, 2020 and 2019 represent the income tax effect on the Company's pretax income which includes its share in the net (loss) income of the Hotel.

### **Recently Issued and Adopted Accounting Pronouncements**

In February 2016, the Financial Accounting Standards Board (FASB) issued ASU 2016-02, Leases (Topic 842). ASU 2016-02 requires lessees to recognize lease assets and lease liabilities on the balance sheet and requires expanded disclosures about leasing arrangements. ASU 2016-02 is effective for fiscal years beginning after December 15, 2018, and interim periods in fiscal years beginning after December 15, 2018, with early adoption permitted. In July 2018, the FASB issued ASU 2018-11, Leases (Topic 842): Targeted Improvements. ASU 2018-11 provides entities another option for transition, allowing entities to not apply the new standard in the comparative periods they present in their financial statements in the year of adoption. Effective July 1, 2019, we adopted ASU 2016-02 using the modified retrospective approach provided by ASU 2018-11. We elected certain practical expedients permitted under the transition guidance, including the election to carryforward historical lease classification. We also elected the short-term lease practical expedient, which allowed us to not recognize leases with a term of less than twelve months on our consolidated balance sheets. In addition, we elected the lease and non-lease components practical expedient, which allowed us to calculate the present value of the fixed payments without performing an allocation of lease and non-lease components. We did not record any operating lease right-of-use ("ROU") assets and operating lease liabilities upon adoption of the new standard as the aggregate value of the ROU assets and operating lease liabilities are immaterial relative to our total assets and liabilities as of June 30, 2020 and 2019. The standard did not have an impact on our other finance leases, statements of operations or cash flows. See Note 4 and Note 10 for balances of finance lease ROU assets and liabilities, respectively.

On June 16, 2016, the FASB issued ASU 2016-13, "*Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments.*" This ASU modifies the impairment model to utilize an expected loss methodology in place of the currently used incurred loss methodology, which will result in the timelier recognition of losses. ASU No. 2016-13 will be effective for us as of January 1, 2023. The Company is currently reviewing the effect of ASU No. 2016-13.

In August 2018, the FASB issued Accounting Standard Update No. 2018-13, *Changes to Disclosure Requirements for Fair Value Measurements (Topic 820)* (ASU 2018-13), which improved the effectiveness of disclosure requirements for recurring and nonrecurring fair value measurements. The amendments in this Update are effective for all entities for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. The amendments on changes in unrealized gains and losses, the range and weighted average of significant unobservable inputs used to develop Level 3 fair value measurements, and the narrative description of measurement uncertainty should be applied prospectively for only the most recent interim or annual period presented in the initial fiscal year of adoption. All other amendments should be applied retrospectively to all periods presented upon their effective date. Early adoption is permitted upon issuance of this Update. An entity is permitted to early adopt any removed or modified disclosures upon issuance of this Update and delay adoption of the additional disclosures until their effective date. The Company has adopted the new standard effective July 1, 2020 and the adoption of this guidance does not have a material impact on its condensed consolidated financial statements.

## NOTE 2 - LIQUIDITY

Historically, our cash flows have been primarily generated from our Hotel operations. However, the responses by federal, state, and local civil authorities to the COVID-19 pandemic has had a material detrimental impact on our liquidity. For the three months ended September 30, 2020, our net cash flow used in operations was \$5,437,000. For the three months ended September 30, 2019, our net cash flow provided by operations was \$1,705,000. We have taken several steps to preserve capital and increase liquidity at our Hotel, including implementing strict cost management measures to eliminate non-essential expenses, postponing capital expenditures, renegotiating certain reoccurring expenses, and temporarily closing certain hotel services and outlets.

The Hotel had \$9,562,000 and \$10,666,000 of restricted cash held by its senior lender Wells Fargo Bank, N.A. (“Lender”) as of September 30, 2020 and June 30, 2020, respectively. Of the \$10,666,000 restricted cash held as of June 30, 2020, \$2,432,000 was for a possible future property improvement plan (“PIP”) requested by our franchisor, Hilton. On August 19, 2020, Lender released PIP deposits in the amount of \$2,379,000 to the Hotel. The funds were utilized to fund operating expenses, including franchise and management fees and other expenses.

On April 9, 2020, Justice entered into a loan agreement (“SBA Loan”) with CIBC Bank USA under the recently enacted Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) administered by the U.S. Small Business Administration. Justice received proceeds of \$4,719,000 from the SBA Loan. In accordance with the requirements of the CARES Act, Justice has used the proceeds from the SBA Loan primarily for payroll costs. As of September 30, 2020, Justice had used all proceeds of the SBA Loan in qualified expenses. The SBA Loan is scheduled to mature on April 9, 2022 with a 1.00% interest rate and is subject to the terms and conditions applicable to loans administered by the U.S. Small Business Administration under the CARES Act. All payments of principal and interest are deferred until July 2021, and the repayment obligations under the loan may be forgiven if the funds are used for payroll and other qualified expenses. All unforgiven portion of the principal and accrued interest will be due at maturity.

In order to increase its liquidity position and to take advantage of the favorable interest rate environment, InterGroup refinanced its 151-unit apartment complex in Parsippany, New Jersey on April 30, 2020, generating net proceeds of \$6,814,000. In June 2020, InterGroup refinanced one of its California properties and generated net proceeds of \$1,144,000. InterGroup is currently evaluating other refinancing opportunities and it could refinance additional multifamily properties should the need arise, or should management consider the interest rate environment favorable. InterGroup has an uncollateralized \$8,000,000 revolving line of credit from CIBC Bank USA (“CIBC”) and the entire \$8,000,000 is available to be drawn down as of September 30, 2020 should additional liquidity be necessary. On August 28, 2020, Santa Fe sold its 27-unit apartment complex located in Santa Monica, California for \$15,650,000 and realized a gain on the sale of approximately \$12,043,000. The Company included the gain in the calculation of tax provision for the three months ended September 30, 2020. Santa Fe will manage its federal and state income tax liability, and anticipates the utilization of its available net operating losses and capital loss carryforwards. Santa Fe received net proceeds of \$12,163,000 after selling costs and repayment of InterGroup’s RLOC of \$2,985,000 as InterGroup had drawn on its RLOC in July 2018 to pay off the previous Fannie Mae mortgage on the property. Furthermore, pursuant to the Contribution Agreement between Santa Fe and InterGroup, Santa Fe paid InterGroup \$662,000 from the sale. Santa Fe will not seek a replacement property.

As the sole general partner of Justice that controls approximately 93.3% of the voting interest in the Partnership, Portsmouth has the ability to amend the partnership agreement to allow for capital calls to the limited partners of Justice if needed. The majority of any capital calls will be met by Portsmouth. Portsmouth will have financing availability, upon the authorization of the respective board of directors, to borrow from InterGroup and/or Santa Fe to meet any capital calls and its other obligations during the next twelve months and beyond. On August 28, 2020, the Board of InterGroup and Santa Fe passed resolutions, respectively, to provide funding to Portsmouth if necessary. The Partnership is also allowed to seek additional loans and sell partnership interests. Upon the consent of the general partner and a super majority in interest, the Partnership may sell additional classes or series of units of the Partnership under certain conditions in order to raise additional capital.

Our known short-term liquidity requirements primarily consist of funds necessary to pay for operating and other expenditures, including management and franchise fees, corporate expenses, payroll and related costs, taxes, interest and principal payments on our outstanding indebtedness, and repairs and maintenance of the Hotel.

Our long-term liquidity requirements primarily consist of funds necessary to pay for scheduled debt maturities and capital improvements of the Hotel. We will continue to finance our business activities primarily with existing cash, including from the activities described above, and cash generated from our operations. After considering our approach to liquidity and accessing our available sources of cash, we believe that our cash position, after giving effect to the transactions discussed above, will be adequate to meet anticipated requirements for operating and other expenditures, including corporate expenses, payroll and related benefits, taxes and compliance costs and other commitments, for at least twelve months from the date of issuance of these financial statements, even if current levels of low occupancy and low RevPAR were to persist. The objectives of our cash management policy are to maintain existing leverage levels and the availability of liquidity, while minimizing operational costs. We believe that our cash on hand, along with other potential aforementioned sources of liquidity that management may be able to obtain, will be sufficient to fund our working capital needs, as well as our capital lease and debt obligations for at least the next twelve months and beyond. However, there can be no guarantee that management will be successful with its plan.

The following table provides a summary as of September 30, 2020, the Company's material financial obligations which also including interest payments:

### NOTE 3 – REVENUE

Our revenue from real estate is primarily rental income from residential property leases which is recorded when due from residents and is recognized monthly as earned. The following table present our Hotel revenue disaggregated by revenue streams.

For the three months ended September 30,	2020	2019
Hotel revenues:		
Hotel rooms	\$ 2,890,000	\$ 13,314,000
Food and beverage	37,000	1,222,000
Garage	470,000	736,000
Other operating departments	28,000	157,000
Total hotel revenue	<u>\$ 3,425,000</u>	<u>\$ 15,429,000</u>

### Performance obligations

We identified the following performance obligations for which revenue is recognized as the respective performance obligations are satisfied, which results in recognizing the amount we expect to be entitled to for providing the goods or services:

- *Cancelable room reservations or ancillary services* are typically satisfied as the good or service is transferred to the hotel guest, which is generally when the room stay occurs.
- *Noncancelable room reservations and banquet or conference reservations* represent a series of distinct goods or services provided over time and satisfied as each distinct good or service is provided, which is reflected by the duration of the room reservation.
- *Other ancillary goods and services* are purchased independently of the room reservation at standalone selling prices and are considered separate performance obligations, which are satisfied when the related good or service is provided to the hotel guest.
- *Components of package reservations* for which each component could be sold separately to other hotel guests are considered separate performance obligations and are satisfied as set forth above.

Hotel revenue primarily consists of hotel room rentals, revenue from accommodations sold in conjunction with other services (e.g., package reservations), food and beverage sales and other ancillary goods and services (e.g., parking). Revenue is recognized when rooms are occupied or goods and services have been delivered or rendered, respectively. Payment terms typically align with when the goods and services are provided. For package reservations, the transaction price is allocated to the performance obligations within the package based on the estimated standalone selling prices of each component.

We do not disclose the value of unsatisfied performance obligations for contracts with an expected length of one year or less. Due to the nature of our business, our revenue is not significantly impacted by refunds. Cash payments received in advance of guests staying at our hotel are refunded to hotel guests if the guest cancels within the specified time period, before any services are rendered. Refunds related to service are generally recognized as an adjustment to the transaction price at the time the hotel stay occurs or services are rendered.

#### ***Contract assets and liabilities***

We do not have any material contract assets as of September 30, 2020 and June 30, 2020 other than trade and other receivables, net on our condensed consolidated balance sheets. Our receivables are primarily the result of contracts with customers, which are reduced by an allowance for doubtful accounts that reflects our estimate of amounts that will not be collected.

We record contract liabilities when cash payments are received or due in advance of guests staying at our hotel, which are presented within accounts payable and other liabilities on our condensed consolidated balance sheets. Contract liabilities decreased to \$263,000 as of September 30, 2020, from \$375,000 as of June 30, 2020. The decrease for the three months ended September 30, 2020 was primarily driven by \$112,000 revenue recognized and refunds issued to guests as a result of the COVID-19 outbreak.

#### ***Contract costs***

We consider sales commissions earned to be incremental costs of obtaining a contract with our customers. As a practical expedient, we expense these costs as incurred as our contracts with customers and lease agreements do not extend beyond one year.

The Company has no significant influence or control over the entities that issue these investments and holds less than 20% ownership in each of the investments. These investments are reviewed on a periodic basis for other-than-temporary impairment. The Company reviews several factors to determine whether a loss is other-than-temporary. These factors include but are not limited to: (i) the length of time an investment is in an unrealized loss position, (ii) the extent to which fair value is less than cost, (iii) the financial condition and near-term prospects of the issuer and (iv) our ability to hold the investment for a period of time sufficient to allow for any anticipated recovery in fair value.

On July 2, 2014, the Partnership obtained from InterGroup an unsecured loan in the principal amount of \$4,250,000 at 12% per year fixed interest, with a term of 2 years, payable interest only each month. InterGroup received a 3% loan fee. The loan may be prepaid at any time without penalty. The loan was extended to July 1, 2021.

Note payable to Hilton (Franchisor) is a self-exhausting, interest free development incentive note which is reduced by approximately \$316,000 annually through 2030 by Hilton if the Partnership is still a Franchisee with Hilton.

On February 1, 2017, Justice entered into an HMA with Interstate to manage the Hotel with an effective takeover date of February 3, 2017. The term of the management agreement is for an initial period of 10 years commencing on the takeover date and automatically renews for an additional year not to exceed five years in aggregate subject to certain conditions. The HMA also provides for Interstate to advance a key money incentive fee to the Hotel for capital improvements in the amount of \$2,000,000 under certain terms and conditions described in a separate key money agreement. The key money contribution shall be amortized in equal monthly amounts over an eight (8) year period commencing on the second anniversary of the takeover date. As of September 30, 2020, balance of the key money is \$809,000 and is included in cash and cash equivalents in the condensed consolidated balance sheet as the Hotel obtained approval from Interstate to use the funds for hotel operations during the first quarter of fiscal year 2021. As of June 30, 2020, balance of the key money plus accrued interest is \$1,009,000 and is included in restricted cash in the condensed consolidated balance sheet. Unamortized portion of the key money is included in the related party notes payable in the condensed consolidated balance sheets.

On April 9, 2020, Justice entered into a loan agreement (“SBA Loan”) with CIBC Bank USA under the recently enacted Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) administered by the U.S. Small Business Administration. Justice received proceeds of \$4,719,000 from the SBA Loan. In accordance with the requirements of the CARES Act, the Company used proceeds from the SBA Loan primarily for payroll costs. As of September 30, 2020, Justice had used all proceeds of the SBA Loan in qualified expenses. The SBA Loan is scheduled to mature on April 9, 2022 with a 1.00% interest rate and is subject to the terms and conditions applicable to loans administered by the SBA under the CARES Act. All payments of principal and interest are deferred until July 2021, and the repayment obligations under the loan may be forgiven if the funds are used for payroll and other qualified expenses. All unforgiven portion of the principal and accrued interest will be due at maturity.

As of September 30, 2020, the Company had finance lease obligations outstanding of \$1,015,000. These finance leases expire in various years through 2023 at rates ranging from 4.62% to 6.25% per annum. Minimum future lease payments for assets under finance leases as of September 30, 2020 are as follows:

**For the year ending June 30,**

2021	\$ 389,000
2022	508,000
2023	<u>188,000</u>
Total minimum lease payments	1,085,000
Less interest on finance lease	<u>(70,000)</u>
Present value of future minimum lease payments	<u>\$1,015,000</u>

Future minimum principal payments for all related party and other financing transactions are as follows:

**For the year ending June 30,**

2021	\$ 854,000
2022	8,767,000
2023	750,000
2024	567,000
2025	567,000
There after	<u>1,740,000</u>
	<u>\$13,245,000</u>

As of September 30, 2020 and June 30, 2020, the Company had accounts payable to related party of \$3,831,000 and \$6,197,000, respectively. These are amounts due to InterGroup and they represent certain shared costs and expenses, primarily general and administrative expenses, rent, insurance and other expenses that are allocated among the Company, Portsmouth and InterGroup.

To fund the redemption of limited partnership interests and to repay the prior mortgage of \$42,940,000, Justice obtained a \$97,000,000 mortgage loan and a \$20,000,000 mezzanine loan in December 2013. The mortgage loan is secured by the Partnership's principal asset, the Hotel. The mortgage loan bears an interest rate of 5.275% per annum with interest only payments due through January 2017. Beginning in February 2017, the loan began to amortize over a thirty-year period through its maturity date of January 2024. Outstanding principal balance on the loan was \$91,923,000 and \$92,292,000 as of September 30, 2020 and June 30, 2020, respectively. As additional security for the mortgage loan, there is a limited guaranty executed by Portsmouth in favor of the mortgage lender. The mezzanine loan is secured by the Operating membership interest held by Mezzanine and is subordinated to the Mortgage Loan. The mezzanine interest only loan had an interest rate of 9.75% per annum and a maturity date of January 1, 2024. As additional security for the mezzanine loan, there is a limited guaranty executed by Portsmouth in favor of the mezzanine lender. On July 31, 2019, Mezzanine refinanced the mezzanine loan by entering into a new mezzanine loan agreement ("New Mezzanine Loan Agreement") with Cred Reit Holdco LLC in the amount of \$20,000,000. The prior Mezzanine Loan which had a 9.75% per annum interest rate was paid off. Interest rate on the new mezzanine loan is 7.25% and the loan matures on January 1, 2024. Interest only payments are due monthly.

Effective May 11, 2017, InterGroup agreed to become an additional guarantor under the limited guaranty and an additional indemnitor under the environmental indemnity for Justice Investors limited partnership's \$97,000,000 mortgage loan and the \$20,000,000 mezzanine loan. Pursuant to the agreement, InterGroup is required to maintain certain net worth and liquidity. As of September 30, 2020, InterGroup is in compliance with both requirements. However, due to the Hotel's current low occupancy and its negative impact on the Hotel's cash flow, Justice Operating Company, LLC may not meet certain of its loan covenants such as the Debt Service Coverage Ratio ("DSCR") which would trigger the creation of a lock-box by the Lender for all cash collected by the Hotel. However, such lockbox has been created and utilized from the loan inception and will be in place up to loan maturity regardless of the DSCR.

In July 2018, InterGroup obtained a revolving \$5,000,000 line of credit (“RLOC”) from CIBC Bank USA (“CIBC”). On July 31, 2018, \$2,969,000 was drawn from the RLOC to pay off the mortgage note payable at InterGroup Woodland Village Inc. (“Woodland Village”) and a new mortgage note payable was established at Woodland Village due to InterGroup for the amount drawn. Woodland Village held a three-story apartment complex in Santa Monica, California and is a subsidiary of the Company. The RLOC carries a variable interest rate of 30-day LIBOR plus 3%. Interest is paid on a monthly basis. The RLOC and all accrued and unpaid interest were due in July 2019. In July 2019, InterGroup obtained a modification from CIBC which increased the RLOC by \$3,000,000 and extended the maturity date from July 24, 2019 to July 23, 2020. The \$2,969,000 mortgage due to InterGroup carries same terms as InterGroup’s RLOC and is included in the mortgage notes payable – real estate in the condensed consolidated balance sheets as of June 30, 2020. In July 2020, InterGroup entered into a second modification agreement with CIBC which extended the maturity date of its RLOC to July 21, 2021. The \$2,969,000 mortgage due to InterGroup was also extended to July 21, 2021. On August 28, 2020, Santa Fe sold its 27-unit apartment complex located in Santa Monica, California for \$15,650,000 and received net proceeds of \$12,163,000 after selling costs and repayment of InterGroup’s RLOC of \$2,985,000.

The Company’s Board of Directors is currently comprised of directors John V. Winfield, William J. Nance, and Robert Dika. Messrs. Winfield and Nance also serve as directors of InterGroup and Portsmouth. Four of the Portsmouth directors serve as directors of InterGroup.

As Chairman of the Executive Strategic Real Estate and Securities Investment Committee, the Company’s President and Chief Executive Officer (CEO), John V. Winfield, directs the investment activity of the Company in public and private markets pursuant to authority granted by the Board of Directors. Mr. Winfield also serves as Chief Executive Officer and Chairman of the Board of Portsmouth and InterGroup and oversees the investment activity of those companies. Effective June 2016, Mr. Winfield became the Managing Director of Justice. Depending on certain market conditions and various risk factors, the Chief Executive Officer, Portsmouth and InterGroup may, at times, invest in the same companies in which the Company invests. Such investments align the interests of the Company with the interests of related parties because it places the personal resources of the Chief Executive Officer and the resources of Portsmouth and InterGroup at risk in substantially the same manner as the Company in connection with investment decisions made on behalf of the Company.

### **NEGATIVE EFFECTS OF CIVIL AUTHORITY ACTIONS ON OUR BUSINESS**

On February 25, 2020, the City of San Francisco issued the proclamation by the Mayor declaring the existence of a local emergency. The negative effects of the civil authority actions related to the novel strain of coronavirus (“COVID-19”) on our business have been significant. In March 2020, the World Health Organization declared COVID-19 a global pandemic. This contagious virus, which has continued to spread, has adversely affected workforces, customers, economies and financial markets globally. It has also disrupted the normal operations of many businesses, including ours. To mitigate the harm from the pandemic, on March 16, 2020, the City and County of San Francisco, along with a group of five other Bay Area counties and the City of Berkeley, issued parallel health officer orders imposing shelter in place limitations across the Bay Area, requiring everyone to stay safe at home except for certain essential needs. Since February 2020, several unfavorable events and civil authority actions have unfolded causing demand for our hotel rooms to suffer including cancellations of all citywide conventions, reduction of flights in and out of the Bay Area and decline in both leisure and business travel.

In response to the decrease in demand, we have since furloughed all managers at the Hotel except for members of the executive team and continue to limit hourly staff to a minimum. By the end of March 2020, we had temporarily closed all of our food and beverage outlets, valet parking, concierge and bell services, fitness center, as well as the executive lounge facility. We continue to implement social distancing standards and cleaning processes designed by Interstate and Hilton to keep employees and guests safe. The full impact and duration of the COVID-19 outbreak continues to evolve as of the date of this report. The pandemic effectively eliminated our ability to generate any profits, due to the drastic decline in both leisure and business travel. As a result, management believes the ongoing length and severity of the economic downturn caused by the pandemic will have a material adverse impact on our future business, financial condition, liquidity and financial results. We are also assessing the potential impact on the impairment analysis of our long-lived assets and the realization of our deferred tax assets. As of the date of this report, the effects of the pandemic continue to affect our economy, business and leisure travel, and our needs to continue to curtail certain revenue generating activities at the Hotel, and until there are vaccines or other methodologies to effectively combat this pandemic, we expect that the effects will have a material adverse effect on our business.

As a result of the CARES Act signed into law on March 27, 2020, additional avenues of relief may be available to workers and families through enhanced unemployment insurance provisions and to small businesses through programs administered by the Small Business Administration (“SBA”). The CARES Act includes, among other things, provisions relating to payroll tax credits and deferrals, net operating loss carryback periods, alternative minimum tax credits and technical corrections to tax depreciation methods for qualified improvement property. The CARES Act also established a Paycheck Protection Program (“PPP”), whereby certain small businesses are eligible for a loan to fund payroll expenses, rent, and related costs. On April 9, 2020, Justice entered into a loan agreement (“SBA Loan”) with CIBC Bank USA under the CARES Act. Justice received proceeds of \$4,719,000 from the SBA Loan. In accordance with the requirements of the CARES Act, Justice has used proceeds from the SBA Loan primarily for payroll costs. As of September 30, 2020, Justice had used all proceeds of the SBA Loan in qualified expenses. The SBA Loan is scheduled to mature on April 9, 2022 with a 1.00% interest rate and is subject to the terms and conditions applicable to loans administered by the SBA under the CARES Act. All payments of principal and interest are deferred until July 2021, and the repayment obligations under the loan may be forgiven if the funds are used for payroll and other qualified expenses. All unforgiven portion of the principal and accrued interest will be due at maturity.

## RESULTS OF OPERATIONS

The Company's principal source of revenue continues to be derived from the investment of its 68.8% owned subsidiary, Portsmouth, in the Justice Investors Limited Partnership ("Justice" or the "Partnership") inclusive of hotel room revenue, food and beverage revenue, garage revenue, and revenue from other operating departments. The Company also generates income from its investments in multi-family real estate properties and from investment of its cash and securities assets. Justice owns the Hotel and related facilities, including a five-level underground parking garage. The financial statements of Justice have been consolidated with those of the Company.

The Hotel is operated by the Partnership as a full-service Hilton brand hotel pursuant to a Franchise License Agreement (the "License Agreement") with Hilton. The Partnership entered into the License Agreement on December 10, 2004. The term of the License Agreement was for an initial period of 15 years commencing on the opening date, with an option to extend the License Agreement for another five years, subject to certain conditions. On June 26, 2015, the Partnership and Hilton entered into an amended franchise agreement which extended the License Agreement through 2030, modified the monthly royalty rate, extended geographic protection to the Partnership and also provided the Partnership certain key money cash incentives to be earned through 2030. The key money cash incentives were received on July 1, 2015.

On February 1, 2017, Justice entered into a Hotel management agreement ("HMA") with Interstate Management Company, LLC ("Interstate") to manage the Hotel and related facilities with an effective takeover date of February 3, 2017. The term of HMA is for an initial period of ten years commencing on the takeover date and automatically renews for an additional year not to exceed five years in aggregate subject to certain conditions. The HMA also provides for Interstate to advance a key money incentive fee to the Hotel for capital improvements in the amount of \$2,000,000 under certain terms and conditions described in a separate key money agreement. In addition to the operations of the Hotel, the Company also generates income from the ownership and management of real estate. On December 31, 1997, the Company acquired a controlling 55.4% interest in InterGroup Woodland Village, Inc. ("Woodland Village") from InterGroup. Woodland Village's major asset is a 27-unit apartment complex located in Santa Monica, California. On February 5, 2020, the Company acquired the additional 44.6% interest in Woodland Village from InterGroup by issuing 97,500 shares of its common stock to InterGroup. As a result of the transaction, Woodland Village has become a wholly owned subsidiary of the Company. The transaction is being made pursuant to a Contribution Agreement (the "Contribution Agreement") between the Company and InterGroup, dated February 5, 2020. The Contribution Agreement also contains a provision for a potential subsequent earn out to InterGroup pursuant to terms set forth therein. On August 28, 2020, Santa Fe sold its 27-unit apartment complex located in Santa Monica, California for \$15,650,000 and realized a gain on the sale of approximately \$12,043,000. Santa Fe received net proceeds of \$12,163,000 after selling costs and repayment of InterGroup's RLOC of \$2,985,000 as InterGroup had drawn on its RLOC in July 2018 to pay off the previous Fannie Mae mortgage on the property. Santa Fe paid InterGroup \$662,000 from the sale pursuant to the earn out provision in the Contribution Agreement. Santa Fe will not seek a replacement property.

The Company also owns a 2-unit apartment building in West Los Angeles, California.

The Company had net income of \$5,088,000 for the three months ended September 30, 2020 compared to net income of \$711,000 for the three months ended September 30, 2019. The change is primarily attributable to the gain from sale of real estate.

## Hotel Operations

The Company had net loss from Hotel operations of \$3,953,000 for the three months ended September 30, 2020 compared to net income of \$1,614,000 for the three months ended September 30, 2019. The change is primarily attributable to the decrease in Hotel revenue.

The year over year decline in all areas are result of the business interruption attributable to a variety of responses by federal, state, and local civil authority to the COVID-19 outbreak since March 2020. Total operating expenses decreased by \$6,315,000 due to decrease in salaries and wages, rooms commission, credit card fees, management fees, and franchise fees.

The following table sets forth the average daily room rate, average occupancy percentage and RevPAR of the Hotel for the three months ended September 30, 2020 and 2019.

The year over year increase is due to the sale of the Company's 27-unit apartment complex located in Santa Monica, California for \$15,650,000.

## Investment Transactions

The Company had a net gain on marketable securities of \$96,000 for the three months ended September 30, 2020 compared to a net loss on marketable securities of \$291,000 for the three months ended September 30, 2019. For the three months ended September 30, 2019, the Company had a net realized loss of \$4,000 and a net unrealized loss of \$287,000.

Gains and losses on marketable securities may fluctuate significantly from period to period in the future and could have a significant impact on the Company's results of operations. However, the amount of gain or loss on marketable securities for any given period may have no predictive value and variations in amount from period to period may have no analytical value. For a more detailed description of the composition of the Company's marketable securities see the Marketable Securities section below.

The Company consolidates Justice ("Hotel") for financial reporting purposes and is not taxed on its non-controlling interest in the Hotel. The income tax expense (benefit) during the three months ended September 30, 2020 and 2019 represent the income tax effect on the Company's pretax income (loss) which includes its share in the net income (loss) of the Hotel.

## FINANCIAL CONDITION AND LIQUIDITY

Historically, our cash flows have been primarily generated from our Hotel operations. However, the responses by federal, state, and local civil authorities to the COVID-19 pandemic has had a material detrimental impact on our liquidity. For the three months ended September 30, 2020, our net cash flow used in operations was \$5,437,000. For the three months ended September 30, 2019, our net cash flow provided by operations was \$1,705,000. We have taken several steps to preserve capital and increase liquidity at our Hotel, including implementing strict cost management measures to eliminate non-essential expenses, postponing capital expenditures, renegotiating certain reoccurring expenses, and temporarily closing certain hotel services and outlets.

The Hotel had \$9,562,000 and \$10,666,000 of restricted cash held by its senior lender Wells Fargo Bank, N.A. (“Lender”) as of September 30, 2020 and June 30, 2020, respectively. Of the \$10,666,000 restricted cash held as of June 30, 2020, \$2,432,000 was for a possible future property improvement plan (“PIP”) requested by our franchisor, Hilton. On August 19, 2020, Lender released PIP deposits in the amount of \$2,379,000 to the Hotel. The funds were utilized to fund operating expenses, including franchise and management fees and other expenses.

On April 9, 2020, Justice entered into a loan agreement (“SBA Loan”) with CIBC Bank USA under the recently enacted Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) administered by the U.S. Small Business Administration. Justice received proceeds of \$4,719,000 from the SBA Loan. In accordance with the requirements of the CARES Act, Justice has used the proceeds from the SBA Loan primarily for payroll costs. As of September 30, 2020, Justice had used all proceeds of the SBA Loan in qualified expenses. The SBA Loan is scheduled to mature on April 9, 2022 with a 1.00% interest rate and is subject to the terms and conditions applicable to loans administered by the U.S. Small Business Administration under the CARES Act. All payments of principal and interest are deferred until July 2021, and the repayment obligations under the loan may be forgiven if the funds are used for payroll and other qualified expenses. All unforgiven portion of the principal and accrued interest will be due at maturity.

In order to increase its liquidity position and to take advantage of the favorable interest rate environment, InterGroup refinanced its 151-unit apartment complex in Parsippany, New Jersey on April 30, 2020, generating net proceeds of \$6,814,000. In June 2020, InterGroup refinanced one of its California properties and generated net proceeds of \$1,144,000. InterGroup is currently evaluating other refinancing opportunities and it could refinance additional multifamily properties should the need arise, or should management consider the interest rate environment favorable. InterGroup has an uncollateralized \$8,000,000 revolving line of credit from CIBC Bank USA (“CIBC”) and the entire \$8,000,000 is available to be drawn down as of September 30, 2020 should additional liquidity be necessary. On August 28, 2020, Santa Fe sold its 27-unit apartment complex located in Santa Monica, California for \$15,650,000 and realized a gain on the sale of approximately \$12,043,000. The Company included the gain in the calculation of tax provision for the three months ended September 30, 2020. Santa Fe will manage its federal and state income tax liability, and anticipates the utilization of its available net operating losses and capital loss carryforwards. Santa Fe received net proceeds of \$12,163,000 after selling costs and repayment of InterGroup’s RLOC of \$2,985,000 as InterGroup had drawn on its RLOC in July 2018 to pay off the previous Fannie Mae mortgage on the property. Furthermore, pursuant to the Contribution Agreement between Santa Fe and InterGroup, Santa Fe paid InterGroup \$662,000 from the sale. Santa Fe will not seek a replacement property.

As the sole general partner of Justice that controls approximately 93.3% of the voting interest in the Partnership, Portsmouth has the ability to amend the partnership agreement to allow for capital calls to the limited partners of Justice if needed. The majority of any capital calls will be met by Portsmouth. Portsmouth will have financing availability, upon the authorization of the respective board of directors, to borrow from InterGroup and/or Santa Fe to meet any capital calls and its other obligations during the next twelve months and beyond. On August 28, 2020, the Board of InterGroup and Santa Fe passed resolutions, respectively, to provide funding to Portsmouth if necessary. The Partnership is also allowed to seek additional loans and sell partnership interests. Upon the consent of the general partner and a super majority in interest, the Partnership may sell additional classes or series of units of the Partnership under certain conditions in order to raise additional capital.

Our known short-term liquidity requirements primarily consist of funds necessary to pay for operating and other expenditures, including management and franchise fees, corporate expenses, payroll and related costs, taxes, interest and principal payments on our outstanding indebtedness, and repairs and maintenance of the Hotel.

Our long-term liquidity requirements primarily consist of funds necessary to pay for scheduled debt maturities and capital improvements of the Hotel. We will continue to finance our business activities primarily with existing cash, including from the activities described above, and cash generated from our operations. After considering our approach to liquidity and accessing our available sources of cash, we believe that our cash position, after giving effect to the transactions discussed above, will be adequate to meet anticipated requirements for operating and other expenditures, including corporate expenses, payroll and related benefits, taxes and compliance costs and other commitments, for at least twelve months from the date of issuance of these financial statements, even if current levels of low occupancy and low RevPAR were to persist. The objectives of our cash management policy are to maintain existing leverage levels and the availability of liquidity, while minimizing operational costs. We believe that our cash on hand, along with other potential aforementioned sources of liquidity that management may be able to obtain, will be sufficient to fund our working capital needs, as well as our capital lease and debt obligations for at least the next twelve months and beyond. However, there can be no guarantee that management will be successful with its plan.

## MATERIAL CONTRACTUAL OBLIGATIONS

The following table provides a summary as of September 30, 2020, the Company's material financial obligations which also including interest payments:

## OFF BALANCE SHEET ARRANGEMENTS

The Company has no off balance sheet arrangements.

## IMPACT OF INFLATION

Hotel room rates are typically impacted by supply and demand factors, not inflation, since rental of a hotel room is usually for a limited number of nights. Room rates can be, and usually are, adjusted to account for inflationary cost increases. Since Interstate has the power and ability to adjust hotel room rates on an ongoing basis, there should be minimal impact on partnership revenues due to inflation. Partnership revenues are also subject to interest rate risks, which may be influenced by inflation. For the two most recent fiscal years, the impact of inflation on the Company's income is not viewed by management as material.

The Company's residential rental properties provide income from short-term operating leases and no lease extends beyond one year. Rental increases are expected to offset anticipated increased property operating expenses.

## CRITICAL ACCOUNTING POLICIES AND USE OF ESTIMATES

Critical accounting policies are those that are most significant to the presentation of our financial position and results of operations and require judgments by management in order to make estimates about the effect of matters that are inherently uncertain. The preparation of these condensed financial statements requires us to make estimates and judgments that affect the reported amounts in our consolidated financial statements. We evaluate our estimates on an on-going basis, including those related to the consolidation of our subsidiaries, to our revenues, allowances for bad debts, accruals, asset impairments, other investments, income taxes and commitments and contingencies. We base our estimates on historical experience and on various other assumptions that we believe to be reasonable under the circumstances, the results of which form the basis for making judgments about the carrying values of assets and liabilities. The actual results may differ from these estimates or our estimates may be affected by different assumptions or conditions. There have been no material changes to the Company's critical accounting policies during the three months ended September 30, 2020. Please refer to the Company's Annual Report on Form 10-K for the year ended June 30, 2020 for a summary of the critical accounting policies.
